NOTES:

1. Math requirement for Fashion Merchandising major may only be fulfilled by MATH 10040 Introductory Statistics Plus **or** MATH 10041 Introductory Statistics.
2. Kent Core courses required by the Fashion Merchandising major include: ECON 22060 Principles of Microeconomics (suggested to complete during sophomore year) and MATH 10040 or MATH 10041.
3. A minor is required for graduation. Students are not required to declare a minor until sophomore year. You may select any minor offered at Kent State, but we encourage students to select a minor related to the career path they wish to pursue in the fashion industry.
4. All Fashion Merchandising majors are required to participate in a study away or study abroad experience to fulfill a degree requirement (usually completed during junior year).
