Research Focus

Neurobiological and behavioral mechanisms underlying normative stress states and stress-related disorders, including posttraumatic stress disorder. Multi-method approach includes clinical interview, behavioral tasks, fMRI, diffusion imaging, and neuroendocrine assay.

Appointments

2019 -	**James K. & Lois Merritt Mikawa Distinguished Associate Professor of Clinical Psychology**, University of Nevada, Reno; Doctoral Faculty in Clinical Science and in Integrative Neuroscience
2016 - 2019	**Associate Professor**, Department of Psychology, Hunter College, City University of New York; Doctoral Faculty in Behavioral and Cognitive Neuroscience and Doctoral Faculty in Health Psychology and Clinical Science, The Graduate Center, City University of New York
2009 - 2016	**Assistant Professor**, Department of Psychology, Hunter College, City University of New York; Doctoral Faculty in Behavioral and Cognitive Neuroscience and Doctoral Faculty in Health Psychology and Clinical Science, The Graduate Center, City University of New York
2007 - 2009	**Research Fellow** in Affective Neuroscience, Martinos Center for Biomedical Imaging, Massachusetts General Hospital and Harvard Medical School
2005 - 2007	**NIH Postdoctoral Fellow**; National Center for Posttraumatic Stress Disorder, Boston Consortium in Clinical Psychology (VA Boston Healthcare System), and Harvard Medical School
2004 - 2005	**Predoctoral Intern**; National Center for Posttraumatic Stress Disorder, Boston Consortium in Clinical Psychology (VA Boston Healthcare System), and Harvard Medical School

Education

2005	PhD	Yale University, Clinical Psychology
2003	MPhil	Yale University, Clinical Psychology
2001	MS	Yale University, Clinical Psychology
1998	BA	University of Notre Dame, Psychology

Honors and Awards

2019	Endowed appointment, Mikawa Professor at the University of Nevada, Reno
2013...2019	Hunter College President's Fund for Faculty Advancement
2012	UCLA Advanced Neuroimaging Institute Summer Program
2012 - 2015	Hunter College Presidential Travel Award
2011...2019	Honoree for Excellence in Scholarship, CUNY Salute to Scholars
2011	Presidential Student Engagement Award, Hunter College
2010	George N. Shuster Faculty Fellowship Award, Hunter College
2010	Faculty Innovations in Teaching with Technology Award, Hunter College
2009	NIH Loan Repayment Program for Clinical Research Recipient
2005	Travel Award for Underrepresented Researchers, Conference on Innovations in Trauma Research Methods
2004	John Perry Miller Dissertation Award, Yale University
2004	Yale University Dissertation Fellowship
2003	Society for a Science of Clinical Psychology Dissertation Grant Award
1999 - 2003	Yale University Fellowship
1998	Sankofa Scholar Hall of Fame, University of Notre Dame
1996 - 1998	Sankofa Scholar Award for Academic Excellence, University of Notre Dame

Professional Affiliations

Association of Black Psychologists
Association for Psychological Science
Cognitive Neuroscience Society
International Society for Traumatic Stress Studies
Society for Affective Science
Society for Neuroscience
Society for a Science of Clinical Psychology

Funding

Current Funding

NINDS R25 NS119709 (2020-2025). Nevada ENDURE (Enhancing Neuroscience Diversity through Undergraduate Research Education Experiences). Role: PI. MPIs Berryhill and Mathew. Amount awarded: $2,400,000.

Completed Funding

PSC-CUNY Award (2019-2020). Measurement of Brain Network Maturation in Trauma-Exposed Women. Role: PI. Amount awarded: $6,000.

PSC-CUNY Enhanced Award (2018-2019). Developmental Trajectories of Brain Network Maturation in Trauma-Exposed Young Women. Role: PI. Amount awarded: $12,000.

NINDS 5R25 NS080686 (2015-2020). BP ENDURE (BluePrint: Enhancing Neuroscience Diversity through Undergraduate Research Experiences) at Hunter and NYU. Role: PI. Amount awarded: $3,200,000. (**2020-2025 renewal application written by Weierich funded;** program funding remains at Hunter College CUNY and NYU and was transferred post-award to a new PI).

National Endowment for the Humanities (2016-2018). Dialogues on the Experience of War: Moral Injury and Transformation. Role: PI with Co-PI Christa Acampora, Department of Philosophy. Amount awarded: $94,000.

NIMHD Research Centers in Minority Institutions Seed Grant (2016-2017). Measurement and Moderators of Trauma-Related Neural Hypervigilance. Role: PI. Amount awarded: $20,000.

NIDA 2R24 DA012136 (2012-2017). Pilot Project: Daily Affective Experience and Substance Misuse in Trauma-Exposed Women. Role: Pilot Project PI (PI Quinones). Amount awarded: $125,000 total pilot project costs.

American Foundation for Suicide Prevention Young Investigator Grant (2014-2017). Attentional Fixation as a Moderator of the Relation between Suicidal Ideation and Suicide Attempts. Role: Consultant (PI Adler).

Weill Cornell Clinical and Translational Science Center Pilot Grant (2016). The Bioecology of Relationships Between Mothers Under Community Criminal Justice Supervision and Their Children. Role: Co-PI (Co-PI Goshin). Amount awarded $25,000.

PSC-CUNY (2015-2016). Salivary Alpha-Amylase as a Biomarker of Trauma-Related Hypervigilance. Role: PI. Amount Awarded: $5900.

PSC-CUNY Grant (2014-2015). Integrated Neurobiological Mechanisms in Trauma Exposure. Role: PI. Amount awarded: $5900.

NIMHD Research Centers in Minority Institutions Facilities Funding (2014, 2015, 2016). Role: Project PI (PI Angulo). Combined amount awarded: $15,000.

NIMHD Research Centers in Minority Institutions Mini-Sabbatical Funding (2014, 2015, 2016). Role: Project PI (PI Angulo). Combined amount awarded: $17,340.

NIMHD 3G12 MD007599-27S1 (2013). Basic and Translational Research Center for Reducing Health Disparities. Role: Seed Project and Facilities Funding PI (PI Angulo). Amount awarded: $30,000 total seed project and facilities costs.

Hunter College Presidential Fund for Faculty Development Award (2013, 2014, 2015, 2017, 2018, 2019). Role: PI. Total amount awarded: $24,000.

PSC-CUNY Award (2011-2012). Mapping Daily Affective Experience in PTSD Using Ecological Momentary Assessment. Role: PI. Amount awarded: $5990.

APA Promoting Psychological Research and Training on Health Disparities Issues at Ethnic Minority Serving Institutions Grant (2010-2012). Race-Related Differences in Neural Processing of Affect in Trauma-Exposed Adults. Role: PI. Amount awarded: $6,500.

NIH NCRR 3G12 RR003037-25S3: Research Center for Study of Gene Structure and Function – ARRA supplement (2009-2011). Sub-Project Neural and Behavioral Mechanisms of Affective Processing. Role: Sub-project PI (PI: Jennifer Raab). Sub-project amount awarded: $126,000.

NIH Loan Repayment Program (LRP) for Clinical Researchers (2009-2012). Role: PI. Amount awarded: $120,000.

NIA 5R01 AG30311 (2005-2010). Neural Mechanisms of Social Decision-Making in Aging. Role: Co-Investigator (PI: Lisa Feldman Barrett). Amount awarded: $2,023,440.

NIH T32 MH19836-04 (2005-2007). Postdoctoral Training in Posttraumatic Stress Disorder. Role: Postdoctoral Trainee (PI: Terence Keane).

Review Activities

Editorial Board Member, *Affective Science*, 2019 - present.
Abstract Review Board Member, Society for Affective Science Annual Meeting, 2020-2022.

Grant Reviews

NIH CSR Panel Member, Biobehavioral Mechanisms of Emotion, Stress, and Health (MESH) study section, 2020-2024.

NIH CSR Ad Hoc Reviewer, National Institute on Minority Health and Health Disparities, 2020.
NIH CSR Ad Hoc Reviewer, National Institute of Dental and Craniofacial Research, 2020.
NIH CSR Ad Hoc Reviewer, Special Emphasis Panel, Addictions, Depression, Bipolar Disorder and Schizophrenia, 2018.
NIH CSR Ad Hoc Reviewer, Special Emphasis Panel, Stress and Psychopathology, 2017
NIH CSR Ad Hoc Reviewer, Biobehavioral Mechanisms of Emotion, Stress, and Health (MESH) study section, 2014, 2015, 2019.
Reviewer, Rutgers Brain Health Institute Pilot Grant Competition, 2016, 2017, 2018.

Journal Reviews

Affective Science, Anxiety Stress and Coping, Behaviour Research and Therapy, Child Abuse and Neglect, Cognition, Cognition and Emotion, Cognitive Therapy and Research, Emotion, Hormones and Behavior, International Journal of Behavioral Medicine, Journal of Abnormal Psychology ,Journal of Behavior Therapy and Experimental Psychiatry, Journal of Cognitive Neuroscience, Journal of Consulting and Clinical Psychology, Journal of Experimental Psychopathology, Journal of Trauma and Dissociation, Journal of Traumatic Stress, Journal of Youth and Adolescence, NeuroImage, Psychiatry Research, Psychological Bulletin, Psychological Medicine, Social Cognitive and Affective Neuroscience, Translational Psychiatry

Invited Talks

Weierich, M.R. (forthcoming 2021, November). Invited Panelist, Neurocognitive Therapies and Translational Research SIG Pre-Conference Institute, ABCT, New Orleans, LA.

Weierich, M.R. (forthcoming 2021, September). Brain Health Research Institute Seminar Series, Kent State University, Kent, OH (virtual).

Weierich, M.R. (2021, May). Imaging Center Speaker Series, McLean Hospital/Harvard Medical School, Cambridge, MA (virtual).

Weierich, M.R. (2021, April). Neuroscience Seminar Series, University of Iowa, Iowa City, IA (virtual).

Weierich, M.R. (2021, April). Department of Psychology, University of Georgia, Athens, GA (virtual).

Weierich, M.R. (2021, January). Clinical Psychology Brown Bag Seminar, Harvard University, Cambridge, MA (virtual).

Weierich, M.R. (2020, November).Computational, Cognitive, and Clinical Neuroimaging Lab seminar series; Imperial College London, London, UK (virtual).

Weierich, M.R. (2020, July). EPSCOR Women in Neuroscience Meeting, Lake Tahoe, CA (cancelled due to COVID).

Weierich, M.R. (2017, October). Department of Psychology, University of California Irvine, Irvine, CA.

Weierich, M.R. (2016, April). Stress Anxiety and Resilience Research Center Symposium. New York, NY.

Weierich, M.R. (2015, November). Clinical Brown Bag Series, Stony Brook University, New York, NY.

Weierich, M.R. (2015, May). Department of Psychology, Baruch College CUNY, New York, NY.

Weierich, M.R. (2013, November). Health Psychology and Clinical Science Seminar, City University of New York, New York, NY.

Weierich, M.R. (2012, November). Clinical Seminar Series, Yale University, New Haven, CT.

Weierich, M.R. (2011, April). Sackler Science Seminar, Weill Cornell Medical College, New York, NY.

Presentations

All Weierich last (senior) author presentations since 2010 are co-authored with students.

2021

Liong, C., **Weierich, M.R**., Reilly, D. & Walder, D. (2021, February). *Moderators of physical health in young adults with varying psychometric schizotypy.* Big Apple Colloquium. New York, NY (virtual).

Liong, C., **Weierich, M.R.**, & Walder, D. (2021, February). *Physical health and health risk behaviors in young adults with varying psychometric schizotypy.* Annual Meeting of the Eastern Psychological Association (virtual).

2020

Weinreb, K.S., Kleshchova, O., Rieder, JK., & **Weierich, M.R.** (2020, November). *Behavioral hypervigilance among trauma-exposed minority groups.* Annual Meeting of the International Society for Traumatic Stress Studies (virtual).

Kleshchova, O., & **Weierich, M.R.** (2020, October). *Less affective network maturity is associated with adverse clinical outcomes in emerging adults with a history of early sexual trauma.* Annual Meeting of the Society for Neuroscience (meeting cancelled due to COVID).

Blessington, G. & **Weierich, M.R.** (2020, October). *Structural and functional brain markers of trauma-related symptoms.* Annual Meeting of the Society for Neuroscience (meeting cancelled due to COVID).

Weierich, M.R., Yoon, S.A. (2020, April) *Ambiguity, not threat, drives trauma-related hypervigilance.* Annual Meeting of the Society for Affective Science (accepted; meeting cancelled due to COVID).

Balbuena, E. & **Weierich, M.R.** (2020, April). Reaction time to affective images as a potential marker of hypervigilance. Hunter College CUNY Undergraduate Research Conference, New York, NY (virtual).

Hernandez, C. & **Weierich, M.R.** (2020, April). State anxiety and ratings of affective information. Hunter College CUNY Undergraduate Research Conference, New York, NY (virtual).

2019

Balbuena, E., Kleshchova, O., & **Weierich, M.R.** (2019, May). *Resting connectivity of the cerebellar vermis with limbic structures in trauma-exposed women.* Poster presented at the Hunter College STEM Conference, New York, NY.

Weinreb, K., Sugarman, M., & **Weierich, M.R.** (2019, February). *Behavioral hypervigilance in trauma-exposed and non trauma-exposed people.* Poster presented at the Annual Meeting of the Eastern Psychological Association, New York, NY.

2018

Kleshchova, O., Rieder, J.K., Grinband, J., & **Weierich, M.R.** (2018, May). *Resting amygdala connectivity and basal sympathetic tone as biomarkers of trauma-related chronic hypervigilance.* Poster presented at the Annual Meeting of the Society for Biological Psychiatry, New York, NY.

Baldeo, A.V., Kleshchova, O., **Weierich, M.R.** (2018, April). *Trauma symptoms and functional connectivity between the default-mode and fronto-parietal attention networks.* Poster presented at the 46th Hunter College Psychology Convention, New York, NY. ***Winner, Best Poster Presentation.***

Sugarman, M.B., Rieder, J.K., & **Weierich, M.R.** (2018, April). *Trauma symptoms vary by trauma type.* Poster presented at the 46th Hunter College Psychology Convention, New York, NY.

Weinreb, K.S., Kleshchova, O., Rieder, J.K., **Weierich, M.R.** (2018, April). *Symptom number and severity do not differ between childhood and adolescent trauma exposure.* Poster presented at the Hunter College Psychology Convention, New York, NY.

2017

Fedorenko, E., Kleshchova, O., & **Weierich, M.R.** (2017, May). *Hypervigilance during viewing of neutral scenes is associated with baseline sympathetic activity.* Poster presented at the Annual Meeting of the Association for Psychological Science, Boston, MA.

Rieder, J.K., Sissoko, D.R., & **Weierich, M.R.** (2017, May). *PTSD symptoms and daily affect vary with menstrual phase in trauma-exposed women.* Poster presented at the Annual Meeting of the Association for Psychological Science, Boston, MA.

Jurska, J., **Weierich, M.R**., Khait, V., Andersen, S., & Miranda, R. (2017, May). *Induced optimism decreases depressive predictive certainty.* In R. Miranda (Chair), Positive future-oriented cognition as protective versus harmful: Implications for depression and suicide. Talk presented at the 29th Annual Convention of the Association for Psychological Science. Washington, DC.

Wajid, Z., Fedorenko, E. & **Weierich, M.R.** (2017, May). *Facilitated attention to social information in social affective scenes in trauma-exposed people.* Poster presented at the annual Hunter Psychology Convention, New York, NY. ***Winner, Best Poster Presentation.***

Kleshchova, O., Rieder, J.K., & **Weierich, M.R.** (2017, March). *Resting connectivity between the amygdala and the ventral anterior cingulate cortex is associated with sympathetic reactivity to a trauma reminder.* Poster presented at the Annual Meeting of the Cognitive Neuroscience Society, San Francisco, CA.

Goshin, L.S., Rieder, J.K., Sissoko, D.R., & **Weierich, M.R.** (2017, March). *Studying the relationships between mothers under community criminal justice supervision and their children.* Talk presented at the Academic and Health Policy Conference on Correctional Health, Atlanta, GA.

2016

Kleshchova, O. & **Weierich, M.R.** (2016, November). *Trauma history and recent life stress predict functional connectivity between the amygdala and the anterior cingulate in response to affective scenes and at rest.* Poster presented at the Annual Meeting of the Society for Neuroscience, San Diego, CA.

Weierich, M.R. (2016, April). *Markers of trauma-related neural hypervigilance.* Invited talk for the Hunter College STARR Center Symposium. New York, NY.

Kleshchova, O., & **Weierich, M.R.** (2016, April). *Stress is inversely associated with resting-state functional connectivity between the amygdala and the anterior cingulate in trauma-exposed women.* Poster presented at the Hunter College STARR Center Symposium. New York, NY.

Fedorenko, E., Rieder, J.K., & **Weierich, M.R.** (2016, April). *Stress response asymmetry is associated with hyperarousal symptoms.* Poster presented at the Hunter College STARR Center Symposium. New York, NY.

Sissoko, D.R., Rieder, J.K., & **Weierich, M.R.** (2016, April). *Less HPA axis activity and more re-experiencing symptoms in sexual trauma survivors.* Poster presented at the Hunter College Psychology Convention, New York, NY.

Siegel, A., Sissoko, D.R., & **Weierich, M.R**. (2016, April). *PTSD symptoms are associated with difficulty disengaging from negative distractor stimuli in complex scenes.* Poster presented at the Hunter College Psychology Convention, New York, NY.

Fedorenko, E., Rieder, J.K., & **Weierich, M.R.** (2016, April). *Stress response asymmetry is associated with hyperarousal symptoms.* Poster presented at the Hunter College Psychology Convention, New York, NY. ***Winner, Best Poster Presentation.***

Fagan, S.E., & **Weierich, M.R.** (2016, March). *Positive information facilitates temporal allocation of attention.* Poster presented at the annual meeting of the Eastern Psychological Association, New York, NY.

2015

Weierich, M.R. (2015, November). *Neural hypervigilance in trauma-exposed women.* Invited talk for the Stony Brook University Clinical Brown Bag Series.

Yoon, S.A., Rieder, J.K., & **Weierich, M.R.** (2015, October). *Basal cortisol is differentially associated with amygdala volume in trauma-exposed women and controls.* Poster presented at the annual meeting of the Society for Neuroscience, Chicago, IL.

Kleshchova, O., Yoon, S.A., & **Weierich, M.R.** (2015, October). *Amygdala and insula response to social and non-social affective scenes in women with different trauma types.* Poster presented at the annual meeting of the Society for Neuroscience, Chicago, IL.

Weierich, M.R. (2015, May). *Visual processing of affective scenes: An eye tracking task design tutorial.* Invited talk for the Baruch College Department of Psychology, New York, NY.

Weierich, M.R., Millon, E., Rieder, J.K., & Yoon, S.A. (2015, May). *Mapping daily affective experience in trauma-exposed adults.* In Emily Ansell (Chair), *Affect, social stress, and neuroendocrine effects of trauma and adversity in daily life.* Symposium talk presented at the annual meeting of the Association for Psychological Science, New York, NY.

Rieder, J.K., Millon, E.M., & **Weierich, M.R.** (2015, May). *Greater sympathetic reactivity in interpersonal versus non-interpersonal trauma.* Poster presentation at the annual meeting of the Association for Psychological Science, New York, NY.

Arango, T., & **Weierich, M.R.** (2015, May). *Slowed temporal disengagement from ambiguous information in trait anxiety.* Poster presentation at the annual meeting of the Association for Psychological Science, New York, NY.

Yoon, S.A., Rieder, J.K., Millon, E., & **Weierich, M.R.** (2015, April). *Salivary biomarkers of neural hypervigilance.* Poster presentation at the annual meeting of the Society for Affective Science, Oakland, CA.

Yoon, S.A., Rieder, J.K., Millon, E., & **Weierich, M.R.** (2015, April). *Salivary biomarkers of neural hypervigilance.* Poster presentation at the CUNY Graduate Center Annual All Psychology Research Day, New York, NY. ***Winner of First Place Poster Presentation.***

Arango, T., & **Weierich, M.R.** (2015, April). *Slower temporal disengagement from neutral information in trait anxiety.* Poster presentation at the Hunter Psychology Convention, New York, NY.

Baldeo, S.B., Yoon, S.A., & **Weierich, M.R.** (2015, April). *Anxiety and structural differences in the uncinate fasciculus.* Poster presentation at the Hunter Psychology Convention, New York, NY.

Kleshchova, O., Yoon, S.A., & **Weierich, M.R.** (2015, April). *Differences in neural processing of social scenes in women with different trauma types.* Poster presentation at the Hunter Psychology Convention, New York, NY.

Sissoko, D.R., Hurley, J.G., Rieder, J.K., & **Weierich, M.R.** (2015, April). *The relation between trauma-related and depressive symptoms and alcohol use by trauma type.* Poster presentation at the Hunter Psychology Convention, New York, NY.

2014

Weierich, M.R., Yoon, S.A., Millon, E., & Rieder, J.K. (2014, November). *Mobile assessment of patterns of affective experience in trauma-exposed adults.* In Mariann Weierich (Chair), *Mobilizing technology to enhance CBT: Using smartphone delivery systems for assessment, intervention, and prevention.* Symposium presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Philadelphia, PA.

Yoon S.A., Millon, E.M., & **Weierich, M.R.** (2014, November). *Sympathetic reactivity and trauma-related symptoms differentially predict hypervigilant neural responses to novelty.* Poster presented at the annual meeting of the Society for Neuroscience, Washington, D.C.

Romero, C., & **Weierich, M.R.** (2014, July). *Neural hypervigilance in trauma-exposed women.* Presentation at the annual meeting of the Leadership Alliance, Stamford, CT.

Yoon, S. A., Cusmano, A., & **Weierich, M.R**. (2014, April). *Higher state anxiety and negative affect are associated with less cognitive control during disengagement from novel neutral faces.* Poster presented at the annual meeting of the Cognitive Neuroscience Society, Boston, MA.

Arango, T.D., Astudillo, J., Baldeo, S.R., & **Weierich, M.R.** (2014, March). *State anxiety and the experience of social information.* Poster session presented at the annual meeting of the Hunter College Psychology Convention, New York, NY.

McBride, N.M., Prince, T.A., & **Weierich, M.R.** (2014, March). *The effect of gender on disengagement from affective stimuli.* Poster session presented at the annual meeting of the Hunter College Psychology Convention, New York, NY.

Rieder, J.K., Millon, E.M., Young, S.Z., & **Weierich, M.R**. (2014, March). *Stress system dysregulation in trauma-exposed women.* Poster session presented at the annual meeting of the Hunter College Psychology Convention, New York, NY.

2013

Weierich, M.R. (2013, November). *Stress and novelty: Identifying candidate mechanisms using multiple levels of analysis.* Invited talk for the CUNY Health Psychology and Clinical Science Seminar. New York, NY.

Haynes, J. & **Weierich, M.R.** (2013, July). *Candidate physiological markers of perceived stress.* Oral presentation at the annual Leadership Alliance Meeting. Hartford, CT.

Weierich, M.R., Lyu, S.A., & Cooper, S.E. (2013, May). *The role of feature sensitivity in facilitated attention to threat.* Symposium talk presented at the Annual Meeting of the Association for Psychological Science, Washington, DC.

Cooper, S.E., Lyu, S.A., & **Weierich, M.R**. (2013, May). *Dissociating accuracy and confidence in facial expression recognition.* Poster presented at the Annual Meeting of the Association for Psychological Science, Washington, DC.

Cusmano, A., Millon, E., & **Weierich, M.R.** (2013, May). *Conscientiousness might override state anxiety during disengagement from affective information.* Poster presented at the Annual Meeting of the Association for Psychological Science, Washington, DC.

Zaoutis, A., Rieder, J., & **Weierich, M.R.** (2013, May). *Evaluations of affective information following collective stressful events.* Poster presented at the Annual Meeting of the Association for Psychological Science, Washington, DC.

Cusmano, A., Millon, E.M., Zakiniaeiz, Y., & **Weierich, M.R.** (2013, April). *Age-related differences in affective brain response to positive information.* Poster session presented at the annual meeting of the Hunter College Psychology Conference. New York, NY.

Cooper, S.E., Lyu, S.A., & **Weierich, M.R.** (2013, March). *Confidence in facial expression recognition differs by expression valence intensity.* Poster session presented at the annual meeting of the Eastern Psychological Association, New York, NY.

2012

Weierich, M.R. (2012, November). *Neurobiological mechanisms of stress and stress-related disorders.* Invited talk for the Yale University Clinical Seminar Series. New Haven, CT.

Wu, C., Lyu, S.Y., & **Weierich, M.R.** (2012, July). *Subcomponents of negative affect and cortisol reactivity.* Oral presentation at the annual Leadership Alliance Meeting. Hartford, CT.

Klimek, P., Dentico-Olin, D., & **Weierich, M.R.** (2012, May). *State anxiety and affective ratings of visual information.* Poster session presented at the Pace University Psychology Conference, Pace University, New York, NY.

Van Buren, B.R., Cooper, S.E., & **Weierich, M.R.** (2012, May). *High levels of neuroticism are associated with faster temporal disengagement from negative stimuli.* Poster to be presented at the annual meeting of the Association for Psychological Science. Chicago, IL.

Zaoutis, A., Van Buren, B.R., Dentico-Olin, D., & **Weierich, M.R.** (2012, April). *Tonic immobility is associated with re-experiencing symptoms of PTSD in adult survivors of childhood sexual assault.* Poster presented at the NorthEast Undergraduate Research Organization for Neuroscience (N.E.U.R.O.N), Hunter College, New York, NY.

Zakiniaeiz, Y., Lyu, S.A., Arango, T., **Weierich, M.R.** (2012, April). *Age-related differences in affective brain response to novel faces.* Poster presented at the NorthEast Undergraduate Research Organization for Neuroscience (N.E.U.R.O.N), Hunter College, New York, NY.

2011

Van Buren, B. R., & **Weierich, M.R.** (2011, November). Tonic immobility and PTSD: T*he potentially mediating role of posttraumatic cognitions in survivors of childhood sexual abuse.* Poster presented at the annual meeting of the International Society for Traumatic Stress Studies, Baltimore, MD.

Van Buren, B., Pulverman, C., & **Weierich, M.R.** (2011, May). *Neuroticism is not associated with disengagement from affective image stimuli.* Poster presented at the annual convention of the Association for Psychological Science, Washington, DC.

Cooper, S.E., & **Weierich, M.R.** (2011, May). *Trait anxious people do not display lower affect sensitivity than non-anxious people.* Poster presented at the annual convention of the Association for Psychological Science, Washington, DC.

Moses-Logan, M., Marganska, A., & **Weierich, M.R.** (2011, May). *Perceived relative disadvantage and perceived control.* Poster presented at the annual convention of the Association for Psychological Science, Washington, DC.

DaSilva, N., Hodges, K., Soto, S., Barrett, L.F., & **Weierich, M.R.** (2011, May). *Age-related differences in neural mechanisms of disengagement of attention.* Poster presented at the annual convention of the Association for Psychological Science, Washington, DC.

Ramirez, H., & **Weierich, M.R.** (2011, May). *Influence of state anxiety on affect-based inhibition of return.* Poster presented at the annual convention of the Association for Psychological Science, Washington, DC.

Cooper, S.E., & **Weierich, M.R.** (2011, May). *Affect sensitivity in people with generalized anxiety disorder.* Poster presented at the Pace University Psychology Conference, Pace University, New York, NY.

Moses-Logan, I.M., Marganska, A., & **Weierich, M.R.** (2011, May). *Socioeconomic status and perceived control.* Poster presented at the Pace University Psychology Conference, Pace University, New York, NY.

Weierich, M.R. (2011, April). *The good, the bad, and the novel: Neural and behavioral mechanisms of visual attention and affect.* Invited talk at the Sackler Science Seminar, Weill Cornell Medical College, New York, NY.

Cooper, S.E., & **Weierich, M.R.** (2011, April). *Empathy and affect sensitivity in people with generalized anxiety disorder.* In S. E. Cooper (Chair), *Cognitive mechanisms in stress-related states and disorders.* Symposium conducted at the meeting of NorthEast Undergraduate Research Organization for Neuroscience (N.E.U.R.O.N), Hunter College, New York, NY.

Da Silva, N., Soto, S., Hodges, K., Barrett, L.F., & **Weierich, M.R.** (2011, April). *Age and sex-related differences in amygdala response to affective stimuli.* In S. E. Cooper (Chair), *Cognitive mechanisms in stress-related states and disorders.* Symposium conducted at the meeting of NorthEast Undergraduate Research Organization for Neuroscience (N.E.U.R.O.N), Hunter College, New York, NY.

Moses-Logan, I.M., Marganska, A., & **Weierich, M.R.** (2011, April). *Income and perception of control.* In S. E. Cooper (Chair), *Cognitive mechanisms in stress-related states and disorders.* Symposium conducted at the meeting of NorthEast Undergraduate Research Organization for Neuroscience (N.E.U.R.O.N), Hunter College, New York, NY.

Pulverman, C.S., & **Weierich, M.R.** (2011, April). *Perceived control and PTSD Prevention video intervention for sexual assault survivors.* In S. E. Cooper (Chair), *Cognitive mechanisms in stress-related states and disorders.* Symposium conducted at the meeting of NorthEast Undergraduate Research Organization for Neuroscience (N.E.U.R.O.N), Hunter College, New York, NY.

Van Buren, B.R., & **Weierich, M.R.** (2011, April). *The influence of posttraumatic cognitions on PTSD symptoms in survivors of sexual trauma.* In S. E. Cooper (Chair), *Cognitive mechanisms in stress-related states and disorders.* Symposium conducted at the meeting of NorthEast Undergraduate Research Organization for Neuroscience (N.E.U.R.O.N), Hunter College, New York, NY.

Zaoutis, A., Klimek, P., Da Silva, N., Marganska, A., & **Weierich, M.R.** (2011, April). *State-anxiety and affective responding to visual scenes.* Poster session presented at the meeting of NorthEast Undergraduate Research Organization for Neuroscience (N.E.U.R.O.N), Hunter College, New York, NY.

2010

Ramirez, H., & **Weierich, M.R.** (2010, November). *Influences of orienting and disengagement in emotion-based inhibition of return.* Paper presented at the Annual Biomedical Research Conference for Minority Students, Charlotte, NC.

Weierich, M.R., Dautoff, R., Kensinger, E.K., Wright, C.I., Dickerson, B.C., & Barrett, L.F. (May, 2010). *Neural mechanisms of maladaptive attention in anxiety: An fMRI study.* In T. Dennis (Chair), Physiological measures of anxiety-related attentional disruptions: Risk, resilience, and biomarkers. Symposium paper presented at the annual convention of the Association for Psychological Science. Boston, MA.

Cooper, S.E., Soto, S., & **Weierich, M.R.** (2010, April). *Extraversion and visual attention to affective information.* Poster presented at the Annual N.E.U.R.O.N. Convention, New York, NY.

Marganska, A., Mahanger, D., Moses-Logan, M., Elkady, A., & **Weierich, M.R.** (2010, April). *Temporal facilitation of visual attention to affect.* Poster presented at the Annual N.E.U.R.O.N. Convention, New York, NY.

Pulverman, C., Van Buren, B., & **Weierich, M.R.** (2010, April). *The influence of affect on normative visual orienting and disengagement.* Poster presented at the Annual N.E.U.R.O.N. Convention, New York, NY.

2009

Weierich, M.R., Moriguchi, Y., Dautoff, R.J., Wright, C.I., Dickerson, B.C., & Barrett, L.F. (2009, August). *Novelty as a dimension in the affective brain.* Poster presented at the annual meeting of the International Society for Research on Emotion, Leuven, Belgium.

Weierich, M.R., Wright, C.I., Dickerson, B.C., Dautoff, R., Negreira, A., & Barrett, L.F. (2009, May). *Differential timecourses for novelty, valence, and arousal in the affective brain.* Poster presented at the annual meeting of the Association for Psychological Science, San Francisco, CA.

2008 and earlier

Negreira, A. M., **Weierich, M.R.**, Carpenter, S.M., Sege, C., Kensinger, E.A., Wright, C.I., & Barrett, L.F. (2008, June). *Temporal characteristics of affect in the young and aging human brain.* Poster presented at the annual meeting of the Social and Affective Neuroscience Society, Boston, MA.

Negreira, A.M., **Weierich, M.R**., Bliss-Moreau, E., Wright, I.C., & Barrett, L.F. (2008, April). *Disambiguating properties of affect in the human brain.* Poster presented at the annual meeting of the Cognitive Neuroscience Society, San Francisco, CA.

Weierich, M.R., Treat, T.A., & Hollingworth, A. (2006, November). *Spatial attentional processing of visual threat stimuli in specific phobia: Disengagement, object-based habituation, and transfer learning.*

Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.

Weierich, M.R. (2006, September). *Visual attentional capture in anxiety.* Invited talk for Massachusetts General Hospital Psychiatric Neuroscience Program Seminar Series.

Gutner, C.A., Pineles, S.L., **Weierich, M.R.**, Resick, P.A., & Griffin, M.G. (2006, November). *Psychophysiological predictors of PTSD in female crime victims.* Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.

Glassman, L.H., **Weierich, M.R.**, & Nock, M.K. (2006, November). *Emotional abuse, self-criticism, and self-injurious behaviors.* Poster presented at the annual meeting of the Association for Behavioral and Cognitive Therapies, Chicago, IL.

Weierich, M.R., Treat, T.A., & Hollingworth, A. (2006, May). *Phobics' spatial attentional processing of threat reflects disengagement deficit, not enhanced orienting.* Poster presented at the annual meeting of the Association for Psychological Science, New York, NY.

Weierich, M.R., Nock, M.K. (2006, May). *Physical pain threshold partially mediates relationship between emotional numbing and non-suicidal self-injury.* Poster presented at the annual meeting of the Association for Psychological Science, New York, NY.

Treat, T.A., Viken, R.J., McFall, R.M., Wang, S.S., & **Weierich, M.R.** (May, 2005). *A preference scaling analysis of the link between eating disorders and self perception.* Hot Topic Talk at the meeting of the Association for Psychological Science, May 2005.

Wang, S.S., **Weierich, M.R.**, Treat, T.A., Viken, R.J., & McFall, R. (November, 2004). *Investigation of the relative importance of body size, affect, and attractiveness information to women's self-perception.* Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Weierich, M.R., Treat, T.A., & Hollingworth, A. (November, 2004). *The role of spatial attention in specific phobia.* Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, New Orleans, LA.

Weierich, M.R. (March, 2004). *Cognitive science in clinical psychology: Attentional capture and disengagement in specific phobia.* Invited talk for Harvard University Clinical Research Speaker Series.

Weierich, M.R., Treat, T.A., & Scholl, B.J. (November, 2003). *Attentional capture and disengagement in specific phobia.* Poster presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Weierich, M.R. (June, 2002). *Attentional capture in PTSD.* Invited talk for the Yale University Johnson Memory Lab.

Weierich, M.R. (April, 2002). *Cognitive science in clinical psychology: Attentional capture in PTSD.* Presentation at the Yale University Clinical Speaker Series.

Prinstein, M.J., Schweder, A., Lederman, S.A., **Weierich, M.R.,** & Anderson, J. (2001, April). *Kindergarten childrens' interpretations of peer victimization and internal adjustment: A depressogenic bias?* Paper presented at the annual meeting of the Society for Research in Child Development, Minneapolis, MN.

Teaching

Doctoral

2021	Cognition and Affect	University of Nevada Reno (UNR)
2015, 2017	Cognition and Affect	City University of New York (CUNY)
2014	Directed Research	CUNY

Masters

2011, 2012, 2013, 2016, 2018	Stress, Trauma, & Resilience	CUNY

Undergraduate

2019, 2020x2	Abnormal Psychology	UNR
2018	Race and Visual Culture (Honors)	CUNY
2012, 2014, 2016, 2018	Special Topics in Neuroscience	CUNY
2010, 2016	Stress, Trauma & Resilience (UG)	CUNY
2009, 2010, 2011, 2012, 2013, 2015, 2019	Abnormal Psychology	CUNY

Teaching at other institutions

2020	Guest Lecture, Tutorial in Clinical Science, Harvard University (virtual)
2008	Methods of Behavioral Research, Harvard University
2006	Intern Didactic Seminar, Boston Consortium in Clinical Psychology
2003, 2004	Abnormal Psychology, Yale University

Doctoral Advising

Primary Doctoral Advisor

University of Nevada, Reno

2021-	Madison Chiu, Clinical Science
2021-	Kieffer Christanson, Clinical Science
2020 -	Glenn Blessington, Clinical Science
2020 -	Asha Putnam, Clinical Science

City University of New York

2018 - 2020	Chris Liong, Health Psychology and Clinical Science
2015 - 2020	Olena Kleshchova, PhD Behavioral and Cognitive Neuroscience
2013 - 2019	Jenna Rieder PhD, Behavioral and Cognitive Neuroscience - *Mina Rees Dissertation Fellowship in the Sciences**
2012 - 2018	Seungyeon Yoon PhD, Behavioral and Cognitive Neuroscience - *Mina Rees Dissertation Fellowship in the Sciences**

**highly competitive CUNY fellowship rarely awarded in Psychology.*

Other Doctoral Mentoring/Training

UNR Doctoral Committees

2020 -	Samantha Meckes, Clinical Psychology
2020 -	Mary Smirnova, Clinical Psychology
2020 - 2021	Emerson Epstein, Clinical Psychology

CUNY Doctoral Dissertation Committees

2018 - 2019	Shawn Fagan PhD, Behavioral and Cognitive Neuroscience
2015 - 2019	Samantha Berthod PhD, Behavioral and Cognitive Neuroscience
2014 - 2018	Sarah Babkirk PhD, Behavioral and Cognitive Neuroscience
2013 - 2016	Jorge Valderrama PhD, Biopsychology
2012 - 2014	Laura O'Toole PhD, Biopsychology
2012 - 2013	Jake Davis PhD, Philosophy
2011 - 2015	Michal Atzram PhD, Biopsychology

CUNY Doctoral Rotation Trainees

Shawn Fagan, Behavioral and Cognitive Neuroscience
Azaadeh Goharzad, Behavioral and Cognitive Neuroscience
Jake Jordan, Biology-Neuroscience

Masters Advising

City University of New York

All 2009 - 2020 in reverse chronological order	Glenn Blessington (PhD student, clinical psychology, UNR) Karly Weinreb (PhD student, clinical psychology, Montclair State) Michael Sugarman (PsyD student, clinical psychology, St. John's University) Andrew Ude (PhD student, kinesiology and health, Rutgers University) Tiffany Arango (PhD student, cognitive science, Northeastern University) Joanna Hurley (PhD student, clinical psychology, Adelphi University) Nicole McBride Sarah Zell Young Amberle Cusmano (project coordinator, Columbia University) Brian Van Buren (2018 PhD clinical psychology, Long Island University) Carey Pulverman (2017 PhD clinical psychology, UT Austin) Anna Marganska (MSW, University of Southern California)

Undergraduate Advising

University of Nevada Reno

2021 - present	Maxwell Miyasato, Nevada ENDURE program trainee
2021 - present	Catrina Aglubat, Pack Research Experience Program
2021 - present	Madison Moffett
2021 - present	Tabatha Walford
2021 - present	Krista Bebis

City University of New York

All 2009 - 2020 in reverse chronological order

Estephanie Balbuena (current neuroscience postbacc, Baylor University Med)
Cierra Hernandez (PsyD student, School/Clinical Psychology, Pace University)
Katrina Norvell
Danielle Reilly
Marieliz Almonte
Anniesa Baldeo
Gina Sissoko (PhD student, clinical psychology, John Jay CUNY; NSF Fellow, Ford Foundation Fellow)
Erick Fedorenko (PhD student, clinical psychology, Rutgers University)
Zareeda Wajid (MHC student, Queens College CUNY)
Atara Siegel (PhD student, clinical psychology, University at Albany)
Sherifa Baldeo (MD student, Albert Einstein College of Medicine)
Emma Millon (2020 PhD neuroscience, Rutgers University)
Tanice Prince (PhD student, clinical psychology, Ohio University)
Jessica Astudillo (MD/MPH student, SUNY Upstate Medical School)
Argyro Zaoutis
Deborah Dentico-Olin
Yasmin Zakiniaeiz (2018 PhD neuroscience, Yale University, NSF Fellow)
Sam Cooper (2019 PhD clinical science, University of Minnesota)
Patrycja Klimek (PhD student, clinical psychology, UCSD/SDSU)
Nicole DaSilva (PhD student, counseling psychology, SUNY Albany)
Meda Datcu (law school, Baruch College CUNY)
Sarah Hassan (2017 PhD clinical psychology, Bowling Green State Univ)
Melissa London (2017 PhD clinical psychology, Northern Illiniois Univ)
Helene Ramirez (MSW, Boston University)
Ena Ackerman (MSW, New York University)
Abby Zielinski (JD, Temple University)
Stephanie Soto
Deborah Mahanger

CUNY Summer Research Trainees

Sarah Master (Cognitive neuroscience, Brown University)
Carissa Romero (Cognitive science, CSU Fullerton)
Jillian Haynes (Biology, SUNY Albany)
Christine Wu (Neuroscience, Boston College)

Service

DEI Outreach

2021- present	Mentor, McLean Mental Health Research Summer Program, McLean Hospital, Harvard Medical School (provides research training for BIPOC undergraduates in clinical and basic neuroscience)

Professional Service

2020 - 2024	Panel member, NIH CSR Biobehavioral Mechanisms of Emotion, Stress, and Health (MESH) study section
2020	Ad hoc reviewer, NIH NIMHD Special Emphasis Panel, Research Centers in Minority Institutions (U54)
2020	Ad hoc reviewer, NIH NIDCR Special Emphasis Panel, Secondary and Genomic Data Analysis
2019 -	Editorial Board Member, Affective Science
2018	Ad hoc reviewer, NIH CSR Special Emphasis Panel on Addictions, Depression, Bipolar Disorder, and Schizophrenia
2017	Ad hoc reviewer, NIH CSR Special Emphasis Panel on Stress and Psychopathology
2016, 2017, 2018	Reviewer, Rutgers University Brain Health Institute Grant Competition
2014, 2015, 2019	Ad hoc reviewer, NIH CSR Biobehavioral Mechanisms of Emotion, Stress, and Health (MESH) study section

University of Nevada Reno

Service to the Department of Psychology

2020 -	Senior Member, Clinical Psychology Faculty Search Committee
2020 -	Member, Personnel Committee
2020 -	Faculty Advisor, EQUIP (Graduate Equity and Inclusion in Psychology Committee)
2020 -	UNR Faculty Liaison, National BRIDGE (Building Roads to Inclusion and Diversity in Graduate Education) Clinical Psychology Network
2019 -	Director, Mikawa Initative
2019 - 2020	Member, Behavior Analysis Faculty Search Committee

Service to the College of Science

2020 - present	Director, NIH/NINDS Nevada ENDURE (Enhancing Neuroscience Diversity through Undergraduate Research Education Experiences) Program

Service to the University

2020	UNR Graduate Recruiter, California Forum for Diversity in Graduate Education
2020	Host, GradFIT Psychology and Neuroscience Virtual Information Session

City University of New York

Service to the Hunter College CUNY Department of Psychology

2017 - 2019	Elected Member, Personnel and Budget Committee
2015 - 2017	Member, Undergraduate Curriculum Committee
2015 - 2018	Member, Graduate Steering Committee
2015 - 2016	Member, Clinical Psychology Faculty Search Committee
2013 - 2017	Member, Advisory Committee for Clinical and Health Psychological Science MA Program
2013 - 2014	Co-Chair, Departmental Colloquium Committee
2013	Member, Departmental Lecturer Search Committee
2012	Member, Health Psychology Faculty Search Committee
2011 - 2019	Member, Psychology Subject Pool Committee (Chairperson 2018-2019)
2011 - 2017	Member, Assessment Committee
2010	Invited Speaker, Psi Chi Speaker Series
2009	Invited Speaker, Psychology Club Speaker Series

Service to the College (Hunter College CUNY)

2016	Invited Speaker: Dean's Welcome Event for Accepted Honors Students
2015 - 2019	Co-Director, Hunter/NYU BP ENDURE Program
2014 - 2016	Member, Director of Research Compliance Search Committee
2014	Panelist, Careers in Neuroscience, Office of Career Services
2013	Panelist, Arts Across the Curriculum
2011 - 2017	Member, Internal Advisory Committee, Center for Translational and Basic Research
2011 - 2012	Member, Hunter College Gene Center Annual Symposium Committee
2010	Member, College Counseling Services Staff Search Committee
2009, 2011	Panelist, Careers in the Helping Services, Office of Career Services

Service to the Graduate School (The Graduate Center of the City University of New York)

2017 - 2019	Member, CUNY Advanced Science Research Center (ASRC) MRI Core Steering Committee
2017 - 2019	Member, Health Psychology and Clinical Science Accreditation Self Study Committee
2017 - 2018	Member, Health Psychology and Clinical Science program Diversity & Retention Committee
2015 - 2018	Elected Hunter College Campus Representative to the Executive Committee of the CUNY Doctoral Program in Psychology
2014, 2015	Reviewer, CUNY Doctoral Student Research Grant Competition
2013, 2014	Interviewer, Doctoral Program in Behavioral and Cognitive Neuroscience Admissions Committee
2012 - 2019	Member, Doctoral Program in Health Psychology and Clinical Science Admissions Committee

Clinical Experience

2009	Clinician: Schizophrenia Clinic, Massachusetts General Hospital - CBT for smoking cessation in a combined skills/varenicline clinical trial.
2005 - 2007	Postdoctoral Fellow: National Center for PTSD - Assessment and individual and group treatment for veterans. - CBT and Cognitive-Processing Therapy (CPT) for PTSD.
2005	Intern: Outpatient Clinic, VA Boston Healthcare System - Assessment and individual and group treatment for veterans. - CBT and CPT for PTSD, anxiety and mood disorders, stress management, smoking cessation, anger management, & couples therapy.
2005	Intern: Women's Health Sciences, National Center for PTSD - Assessment and individual and group treatment for female veterans - CBT, CPT, and DBT for PTSD, MST, anxiety and mood disorders.
2004 - 2005	Intern: National Center for PTSD, VA Boston Healthcare System - Assessment and individual and group treatment for veterans with PTSD - Comprehensive training in assessment of PTSD, including CAPS interview. - CBT for PTSD.
2002 - 2003	Assistant Director: Yale Psychological Services Clinic - CBT for anxiety and mood disorders and symptoms in community clinic. - Provided supervised supervision for beginning graduate students.
2001 - 2002	Practicum: Yale Center for Eating and Weight Disorders - CBT and DBT-based treatment for binge eating disorder and obesity.
2000 - 2001	Practicum: Yale Psychological Services Clinic, Anxiety & Mood Disorders Service - Assessment and CBT for anxiety and mood disorders in community clinic.
