Big heads up. That's a really stupid plan.

Places where it's in to be out. Maybe San Francisco or there about. But in

Indiana with out a doubt, if you're not straight then guess what's bound to

And you wish there was a world where you were simply free to live. And when
people criticized you. you had no more shit to give. And

in this other lifetime when you tell yourself, "Be brave." You won't

standard rules of logic simply don't apply. When people dance in unison and no one wonders why.

DEE DEE: You make it sound so beautiful.
We look to you, as strange as it seems.
When reality goes to scary, new extremes. So don't ever give up. And this I guarantee:
