NOTES:

1. All music majors and undeclared music students should be placed in a music UC 10097 section.
2. All Music majors must earn a 'C' or better in their Music Courses to complete the requirement and move on to the next section. For example: MUS 11121 - Theory I needs a "C" to move on to MUS 11122 - Theory II.
3. Placement in music courses is based on student's admission letter. Students who have not yet auditioned should take a major ensemble (MUS 45212, Orchestra [strings]; MUS 45221, Symphony Band [winds and percussion]) and Kent Core requirements; their schedule can be adjusted after successfully passing their audition.
4. Note that for students not yet admitted to Music, MUS 45212 requires audition with course director prior to registration. See COTA Electives sheet for contact information.
5. Audition application and information is available at the School of Music website at <https://www.kent.edu/music/undergraduate-audition>.
