NOTES:

1. All music majors and undeclared music students should be placed in a music UC 10097 section.
2. All Music majors must earn a 'C' or better in their Music Courses to complete the requirement and move on to the next section. For example: MUS 11121 - Theory I needs a "C" to move on to MUS 11122 - Theory II.
3. Placement in music courses is based on student's admission letter. Students who have not yet auditioned should take a major ensemble (MUS 45321, Accompanying) and Kent Core requirements; their schedule can be adjusted after successfully passing their audition.
4. Audition application and information is available at the School of Music website at <https://www.kent.edu/music/undergraduate-audition>.
