Allocations Process
One purpose of USG is to allocate funds to student organizations upon request. USG operates based on a fiscal year beginning July 1 and ending June 30 of the following year. USG reserves the right to set forth procedures for allocations and funding disbursement and will publish these procedures on the USG website. Student organizations will be advised of the approval or denial of funds via email. Funding decisions will be approved upon a simple majority vote of USG members. One half of the total membership must be present at an allocations vote. Voting will take place at USG meetings, and student organizations will be informed of the vote the following Monday after the meeting. A memo describing the allocation
will be emailed to the organization President and advisor, and a copy will be sent to the Business Office.

All voting will be by voice vote. However, a roll call or hand vote may be done at any time at the request of a USG member.
