ELL WORKSHOPS
with the Writing Commons

What will the workshops focus on?

These workshops are designed for ELL students to have fun, to engage in conversations with their peers in a safe environment, to improve their writing skills, and to build their own community. Each workshop will focus on a different topic, and they will be adjusted to meet the needs of the students.

When and where?

These workshops will take place on the 4th floor of the library. Anyone is welcome to join in for some fun, conversation, and learning! As of right now, the time of the workshops haven’t been decided yet. Days, times, and topics for the workshops will be based on your needs. We need your input because your voice matters!
