Job Description

Summary

Footprints Center for Autism is a 501(c)3 nonprofit organization dedicated to providing comprehensive, collaborative, and child-centered programming to individuals with autism. We are seeking a Speech-Language Pathologist who wants to join a close-knit, supportive team who are enthusiastic about working with children with special needs.
Essential Job Responsibilities

- Providing high-quality direct individual and/or group speech-language therapy services to students according to students’ IEPs and program plans.

- Conducting individual evaluations, analyzing results, and writing reports to determine strengths and concerns in areas of speech, voice, fluency, pragmatics, language, and oral motor skills.

- Developing and implementing treatment plans and IEP goals for overall educational improvement.

- Ensuring students’ skills are generalized across all settings by consulting and collaborating with all FCA staff and parents.

- Completing treatment notes and progress reports in a timely manner and according to FCA policy.

- Managing a detailed log of service provided and services missed due to student or therapist absences.

- Maintaining appropriate, confidential, records and provide timely reports.

- Observes and evaluates the performance of those assisting in the child’s individualized programming and provides guidance as necessary.

- Other duties as assigned.

Requirements:

- Must be licensed by the State of Ohio and the Ohio Department of Education

- Must have a Master’s Degree.

- Must have at least 1-2 years of experience working with children with special needs (experience with children with autism preferred).

- Must be CPR/First Aid Certified

- Must have a valid OHIO driver’s license

- Able to pass a background check through the FBI and the BCI

Benefits:

- Medical
- Dental
- Vision
- Paid time off
- 403b with Match
- 13 paid holidays
