**Position:**

**Peer Support Specialist**  
OhioMeansJobs Post #234680104

**Job Description:**

Signature Health, Inc is Hiring a Peer Support Specialist

Signature Health Inc. is a non-profit healthcare agency whose mission is to put good health within reach of all of our community members through comprehensive mental health, medical, and support services essential for optimizing the well-being of mind and body. Serving patients in Lake, Ashtabula and Cuyahoga counties, we are committed to increasing access to a continuum of care while integrating behavioral and physical health well-being. If you are passionate about making a difference then we want to talk to you. We offer employees a dynamic, collaborative work environment along with a comprehensive range of benefit selections to support your total wellness, including several 100% employer paid benefits.

Reporting to the Supervisor, Behavioral Health Services, the Peer Support Specialist ultimately serves as a patient advocate. You will be relied on to provide clients with resourceful information and support while adhering to treatment plans in a variety of settings. The Peer Support Specialist will model competence to their clients, through their own personal experiences, in successful self-recovery. You will act as a subject matter expert while performing a wide range of tasks to support clients.

- **Full Time - $15.50hr.**

**Desired skills:**

- High School Diploma required.
- Peer Specialist Certification required.
- Must have personally been in recovery for 3+ years and maintains a recovery program.
- 3+ years’ experience in a behavioral health work environment preferred.
- Must possess a valid unencumbered Ohio driver’s license.
- American Heart Association (AHA) Basic Life Support (BLS) certification required.
- Demonstrated knowledge of the local Mental Health System.
- Must possess basic computer skills to perform job duties including desktop computing, email, time sheet management, electronic health records, using Microsoft Office Applications, ADP and other relevant software.
- Must have basic electronic communication and internet skills to gather information required for the program or program participants.
