

Ratio of Full-Time Tenure Track Faculty to Student FTE Architecture & Environmental Design

Ratios are based on fall semester data. The number of faculty equals the number of full-time, tenure-track faculty assigned to a department. The Student FTEs are derived from the number of student credit hours generated by those faculty in the given fall semester. Student FTE is based on 15 credit hours for undergraduate students and 9 credit hours for graduate students. Ratios include faculty who were assigned to a department but who may not have generated any student credit hours that semester.
