UNIVERSITY POLICY REGARDING STUDENT HOUSING

As a residential campus, the residential experience is viewed as part of the total university education. Kent State requires all single students enrolled for 9 or more academic credits to reside in the university's residence halls and participate in the food plan. This requirement is applicable until: (1) the student attains junior academic standing (60 semester or 90 quarter credit hours) at the start of fall semester; (2) the student is 21 years of age at the start of fall semester; (3) the student has lived in residence halls two or more years; (4) the student commutes from the primary residence of the parent or legal guardian residing within 50 miles of the Kent campus. A registration hold is placed on the record of a student in violation of this policy.

SUMMER HOUSING:

Contact Residence Services for information on Summer 2014 housing.

<i>Early Arrival- Daily charge for arrival prior to official hall opening.</i>	\$	25.00
--	----	-------

New applicants for residence hall space are required to submit a nonrefundable \$25 application fee when returning the signed Residence Hall Contract. Any new residence hall student wishing to live in the residence halls is required to pay a \$200 pre-paid housing fee by June 1, 2014. If students apply on or after June 1, 2014, they must pay the \$25 application fee and the \$200 pre-paid housing at the same time. Returning residence hall students are required to pay the \$200 prepaid housing fee at the time of contract renewal or their assignment will be cancelled and they will need to re-apply for housing. **Non-payment of the pre-paid housing fee does not mean the student's assignment is automatically cancelled.**

**KENT CAMPUS RESIDENCE HALLS AND ALLERTON APARTMENTS
CONTRACT CANCELLATION, CONTRACT RELEASE, AND REFUND POLICY**

CANCELLATION OF CONTRACT - RESIDENCE HALLS

Request for cancellation of the contract before moving into a residence hall (checking out residence hall room keys) and prior to the applicable opening day of the residence halls, will be accepted with one of the following guidelines:

1. A written request for cancellation received on or before June 1, 2014, for the fall semester or January 1, 2014 for the spring semester (new spring semester applicants only) will result in a refund of the \$200 pre-paid housing fee.
2. A written request for cancellation received after June 1, 2014 for the fall semester or January 1, 2014 for the spring semester (new spring semester applicants only) will result in the forfeiture of the \$200 pre-paid housing fee.

A request for cancellation of the Residence Hall Contract, including Food Plan (if contracted), must be done either by phone, by email, online at www.res.kent.edu, or in writing, addressed to and received by: Department of Residence Services, Kent State University, P.O. Box 5190, Kent, Ohio 44242-0001. Students notifying the department of Residence Services that they will not be coming to Kent State University will result in the termination of the submitted residence hall application. Further, the Department of Residence Services will inform the Registrar's Office of the student's intentions, and all scheduled classes will be cancelled. Students exiting the university between semesters must officially check out with residence hall staff and return keys/card keys to avoid charges.

If a student is not returning to the university for the spring semester, the student will be released from the contract. However, the student must inform the Department of Residence Services, by phone, e-mail, online, or written letter by 5 p. m. of the second Friday of November (academic dismissal exempt).

Request for cancellation of this contract after moving into a residence hall or after the applicable opening day of the residence halls will require a Petition for Contract Release, and the student must show just cause for termination (major unforeseen circumstances). In order that all petitions may be reviewed and appeals, if needed, conducted prior to the start of spring semester, the deadline to petition for a contract release is 5 p. m. on the second Friday in November. Petitions received after this deadline may not be reviewed until after the start of the spring semester. Please note that the entire petitioning process may take between four to six weeks to complete. A petition for contract release form, as well as the procedural instructions, may be secured from the student's Residence Hall Director. This contract cannot be terminated solely for the purpose of living off-campus or in order to commute from home.

A forfeiture charge of 12.5 percent per week of the contracted room cost will apply to students leaving the university and/or receiving a written release from their residence hall contract. Students will be charged a forfeiture rate for each week of occupancy. There are no room refunds after the seventh week of the semester.

IMPORTANT: A student submitting a written request for cancellation of the residence hall contract, who remains obligated under the University Housing Policy, must also follow the established procedure for requesting an exemption to the University Policy Regarding Student Housing. Please note that the terms of the signed Residence Hall Contract supersede the terms of the University Policy Regarding Student Housing.

UNIVERSITY FEE RETENTION POLICY

A student, who withdraws from all courses or drops one or more course, not later than the first week of classes for the semester, may obtain a full refund of fees paid or an adjustment of fees billed. A student is not considered withdrawn until the withdrawal transaction is completed as described in the *Schedule of Classes*. The portion of fees retained by the university is determined by the date on which the transaction is processed on the Banner System. A student who has not paid registration or housing fees and fails to withdraw from the university and/or residence hall will continue to be liable for the fees assessed.

The following university fee retention schedule applies to both course withdrawals and total withdrawals from the university. The percentages apply to the fees assessed for the courses from which a student withdraws. Days of classes are counted Monday through Sunday, including official university holidays. Below are the withdrawal periods for the **fall** and **spring** semesters with their respective percentages of course fee assessments to be retained by the university. **The number of days per refund percentage will vary for the summer term. Exact refund dates can be obtained by contacting the Bursar's Office.**

1. First week of classes	0%
2. Second week of classes	20%
3. Third week of classes	35%
4. Fourth week of classes	40%
5. After fourth week of classes	100%

Note: Flexibly scheduled courses may have a different fee retention schedule than the semester fee retention schedules listed above.

The university fee retention policy includes provisions to conform with Department of Education guidelines cited in CFR part 668 Sections 21 and 22 concerning the treatment of Title IV funds when a student withdraws from all classes during a semester.

All balances due to the university as a result of other obligations will be deducted from the amount (if any) to be refunded for course withdrawals.

The Bursars Office prepares all checks for credit balances. Fee refunds (if any) may not occur until thirty days after the dropping of courses or until 30 days after the beginning of the semester (whichever is later). Students who withdraw from laboratory classes must return laboratory equipment before fees will be refunded.

If fees are paid under mistake of law or fact, they are returnable in full. Any appeals to the fee retention policy should be referred to the Bursars Office.
