## KENT CAMPUS FIRST-YEAR STUDENT PROFILE

*While an accurate picture of a typical student, Kent State takes a more holistic view of our applicants. We consider many factors beyond grade point average and test scores, including the strength of college preparatory courses and grade trends.*

*\*Range based upon the middle 50% of the incoming first-year student class.*

Kent State University works hard to help students like you achieve their dream of earning a degree.

Everyone is welcomed – and embraced – for who they are, as they are encouraged to become all they can be. Kent State is committed to providing access to quality education for students of all races and ethnicities, from all beliefs and identities - including students with the greatest financial need.

Our inclusive campus environment values and celebrates diversity in our students and faculty. Award-winning programs support your success every step of the way to graduation – and beyond!

**Michael Cline**  
AERONAUTICS  
RALEIGH, NC

“As flight students, we all end up looking at a lot of the same schools around the country. But, when I came to Kent State, I felt like it had everything I needed. Kent State has definitely equipped me with everything I need to enjoy my experience while I’m here, but also be prepared for the future.”

**Brian Malby**  
HEALTHCARE ADMINISTRATION  
CLEVELAND, OH

“It feels really good to know that I am about to accomplish something that no one else in my family has accomplished before. I was an exploratory student and that program really geared me to take different classes to help me figure out what I liked and help push me in the right direction.”

**Jenna Palek**

# QUALITY EDUCATION FOR YOUR LIFETIME

Transformational learning includes hands-on work. Every program blends classroom instruction with hands-on, career-authentic experiences and networking opportunities. In fact, you may be able to participate in research projects as a freshman!

We're proud of our unique programs and partnerships – everything from esports to design innovation and our internationally renowned Kent Blossom Music Festival with The Cleveland Orchestra.

⚡ **Our Honors College leads the nation with 9 Portz Scholars recognized for outstanding undergraduate honors research theses.**

⚡ **More than 70% of our faculty members hold the highest degree in their fields of study.**

**J.D. Ponder**  
ASSISTANT PROFESSOR  
COMMUNICATION STUDIES

"The role of higher education is to remove as many barriers as possible. We realize now more than ever that we need to meet our students where they are. It's so important; that's why I do what I do.

"There are lots of opportunities at Kent State. And more importantly, there are people here that care deeply about you, even if we haven't met you."

# APPLY NOW—HERE'S HOW

## APPLY TO KENT STATE UNIVERSITY TODAY!

Your future at Kent State starts with a simple application. Each year we search for students with diverse backgrounds, experiences and perspectives to challenge and support each other on our campus. Kent State takes a holistic approach to the application review process. We review each applicant based on several factors, including classroom performance in core academic courses, strength of high school curriculum and cumulative GPA. While admission is selective, each applicant will be considered on an individual basis.

## WHEN TO APPLY

- Application for fall semester opens **AUG. 1**.
- Applications completed by **NOV. 1** receive priority admission consideration and automatic scholarship review by **NOV. 30**.
- Applications completed by **FEB. 1** receive full admission consideration and automatic scholarship review by **FEB. 28**.
- After **FEB. 1**, fall admission and scholarship consideration are offered on a space-available basis.

## APPLICATION CHECKLIST

Submit an online application using the Kent State application or the Common Application.

- Pay the \$50 application fee or request a fee waiver.
- Submit your most recent high school transcript to Kent State University.
- SAT and ACT scores are not required for first-year students applying for fall 2021. You can indicate on your application if you would like us to consider test scores when reviewing your application.
