**Official and Approved  
Listing of University Tuition and Fees  
Effective for the 2021/2022 Academic Year**

## **Kent State University Fee Register**

The Fee Register is the official list of all university fees as approved by the Board of Trustees and collected by the Bursar's Office. It does not include the charges for services or products for those auxiliary enterprises which determine charges on the basis of fluctuating costs and which are not of a general student nature.

Fees listed as "ACB" are fees that are based on the actual costs associated with a particular fee, such as, but not limited to, the cost to a student for travel, practicum requirements, books, etc.

Rates are per semester, unless otherwise noted and are subject to change at any time by the Board of Trustees.
