- Encourage individual employee growth and development; and
- Provide data that documents performance.

GETTING STARTED WITH THE EVALUATION:
1. Begin by asking your employee(s) to complete their self-evaluation by a specific date.

2. As you complete the evaluation keep track of your numerical ratings and create an accurate average for the end of the evaluation when asked to enter an “Overall Rating”.

To access the online performance evaluation homepage log into https://www.kent.edu/ and select “FlashLine Login” at the top of the page.
- Use your FLASHline ID and FLASHline password to access the evaluation homepage.
- At the left of the FLASHline page, select “Employee”.
- Then select “Dashboard”.
- In the middle of the Employee Dashboard page is a box titled “Top Employee Resources”, select the second option “Log In: Performance Evaluations”
- Next you should be directed to the Homepage which lists the evaluations you have access to.

Completing the Evaluation Process:

2. Now that you have accessed the Evaluation Homepage, the following directions will help you complete an evaluation or evaluations for your classified employees.

- Select the Evaluation Form you need to complete. The Probationary Evaluation Forms only allow for 1 employee to be evaluated at a time. The Classified Performance Evaluation Form allows more than 1 employee to be evaluated.
- Once you have selected the 2023 Classified Performance Evaluation you should see a short introduction page – then select “Continue”.
- On the next page View Status, you will see Tabs listed below and your employee’s name with a check box next to it:

  - **Select All** allows you to select all of your employees without manually checking the box next to each of their names
  - **Unselect All** allows you to de-select your employees
  - **Evaluate All Selected** allows you to evaluate all of your employees you have selected and sends you to the beginning of the evaluation questions

* If at any time you are missing an employee to evaluate, please contact us at Employee Relations (Janine x28526, Norma x28334 or Karen x24636)
- Begin to complete the evaluation form by selecting the appropriate ratings and adding comments. There are three tabs under the questions:

<< Prev  - This tab allows you to go back to the previous page.

Save and Close  - This tab allows you to save what you are working on and will return you the View Status page where you selected the employee(s) to evaluate.

Next >>  - This tab allows you to go to the next question.

- Under each employee’s name in the evaluation is a link to their self-evaluation for your review and to the Performance Log.

- As you decide what the numerical rating should be for each question track these ratings and average the ratings to determine what the actual Overall Rating should be. This is very important to determine the correct Overall Rating.

- Towards the end of the evaluation you will be asked “Did you review the performance evaluation with your employee?” If you have not reviewed the evaluation with your employee, then select “No” and select “Save and Close”. This will allow you to return to the evaluation and make changes if necessary.

OR

- Towards the end of the evaluation you will be asked “Did you review the performance evaluation with your employee?” If you have reviewed the evaluation with your employee and made all additional changes then select “Yes” and select “Next” tab. The next page will allow you to type your name as the signature. Then your last step is to select “Finish and Submit”. This will complete the evaluation process.
