University Policy Regarding Student Housing

(A.) Kent State University requires that all students enrolled for 9 or more credit hours reside in a university residence hall and participate in a board plan. The requirement excludes summer sessions and is applicable until attainment of junior academic standing (60 semester credit hours/90 quarter credit hours) or the receipt of an exemption from University Housing.

For Academic Year 2023-2024

*Please check only one choice below and return the form with supporting documentation. Please note that additional information may be required before a decision can be made regarding the exemption application.

☐ Check here if student will have junior academic standing prior to next academic year. Total credit hours completed by August 2023: ____________

(B.) Exemptions to this requirement must be requested in writing and submitted University Housing. Students not specifically granted an exemption prior to the first day of classes for the applicable semester will be considered in violation.

1. Exemptions may be granted to students who meet one of the following criteria:

☐ A medical condition prohibits student from residing in the residence halls. Detailed medical documentation to verify the situation must be provided. A completed student medical documentation form (page 4 attached) must be included with submission of the exemption application.

☐ A severe financial hardship prohibits student from residing in the residence halls. Substantial documentation (e.g. income tax forms, bank statements, layoff notice, unemployment benefit summary, financial aid forms, welfare benefit summary, etc.) must be provided to verify this hardship exists. A completed review of financial aid status form (page 6) and a financial worksheet (page 5) must be included with submission of the exemption application. NOTE: If student is considered a financially dependent student, parental financial information must be provided.

Live and travel to class from principal residence of their parent(s) or legal guardian(s) which is located within a fifty (50) mile driving distance of the Kent Campus. Please see the Commuting Exemption Form at https://www.kent.edu/housing/mandatory-housing-policy-exemption-form/

2. Permanent exemptions may be granted to a student who:

- Is twenty (20) years of age or older, having reached age 20 no later than the date of the first day of classes for the applicable semester.
- Is married. Student must provide a copy of a court-certified marriage certificate (not license). NOTE: A church-issued copy is not acceptable.

For transfer students, a copy of transcripts of previous enrollment is required. Student is responsible for obtaining transcripts or must contact previous college/university to request they be sent to the University Housing. This exemption cannot be reviewed until transcripts are received. NOTE: Kent State University’s Registrar’s Office is NOT able to provide a copy to you.
- Has lived in (another) college or Kent State University on-campus housing for four semesters (excluding summers) or the equivalent. For transfer students, a letter from previous college or university verifying residency is required. This exemption cannot be reviewed without verification being attached.
- Can demonstrate other acceptable extenuating circumstances. Student is responsible for providing complete documentation to verify the situation for review. Exemptions are not granted to reside in an apartment even if a lease has already been signed.

(C.) Upon receipt, all exemption applications will be reviewed by the designated official of University Housing. An approval or denial will be provided to the student or to the student’s KSU email address. If a student's request for an exemption is denied, they will have fourteen (14) days in which to submit a written appeal University Housing.

(D.) Non-exempted freshman and sophomore students not residing on campus will be considered in violation of this policy and may have their records placed on “ineligible hold” with the university, thus, preventing future registration. Students in violation of this policy may be required to make up any part of a semester with a minimum of a full semester in residence, beyond the above stated residency requirement. Students determined to be in violation are no longer eligible for exemption based on the criteria listed above and the on-campus requirement must still be fulfilled.

(G.) From time to time, specific policies relating to safety, security, and good order of student residential life shall be promulgated by proper authorities, and these policies shall be binding on those affected.
