126 Total Credit Hours to Complete BSN from KSU, Including Transfer Coursework	

* Students will receive credit for up to 38 semester hours of “Various Nursing Courses”.

** Students will be permitted to take upper division NURS coursework upon completing CHEM 10055 Molecules of Life. Please speak with a Kent State University academic advisor for more information.

Course will fulfill Kent State University’s Kent Core (general education) requirement.

@ Course may be taken at Belmont College and transferred to Kent State. However, please be aware of Kent State’s residence policy, which can be found in the [Kent State University Catalog](#).

Admission Requirements

Admission to the Nursing for Registered Nurses major is selective. Criteria for admission includes the following: Evidence of admission in good standing from a state-approved associate degree or diploma nursing program with a minimum 2.000 (on a 4.0 scale) overall GPA.

Requirements to graduate with the BSN degree program: To graduate, students must have minimum 120 credits hours, 39 upper-division credits hours of coursework, a minimum 2.0 major GPA and minimum 2.00 cumulative GPA. They must also fulfill an approved experiential learning experience, a two-course diversity requirement (domestic and global), complete a writing intensive course with a minimum C (2.000) grade. More specific graduation requirement information can be found in the Academic Policies section of the Kent State University Catalog (www.kent.edu/catalog).
