PLACEMENT CHALLENGE INSTRUCTIONS

COLLEGE WRITING I:

College Writing I (ENG 11011) is the study and practice of academic writing, including an introduction to rhetorical principles, the writing process, critical reading, research and technology. If you did not earn an ACT English subscore of **18** or higher, additional assessments are necessary to determine your college readiness for College Writing I. You will need to complete the Accuplacer WritePlacer and possibly Reading Comprehension assessments and earn either a WritePlacer score of 4 with a reading score of 250 or higher, or a WritePlacer score of 5 or higher.

The Accuplacer assessments may be completed on our campus in the Academic Success Center or at many area high schools. Check with your guidance counselor. For testing on campus, visit www.kent.edu/stark/testing-services for available hours. Call 330-244-5050 to schedule an appointment to take the additional testing needed and bring a photo ID with you. The Academic Success Center is located in the lower level of the Campus Center.

COLLEGE READING:

It is crucial that you possess solid skills in reading comprehension in order to be successful in the college classroom. If your ACT reading subscore is below a **20**, an additional assessment is necessary to determine your college readiness for courses that require critical reading ability in order to learn the content. You will need to complete the Accuplacer Reading Comprehension assessment and earn a score of 250 or higher.

The Accuplacer reading assessment may be completed on our campus in the Academic Success Center or at many area high schools. Check with your guidance counselor.
