ADVISING & REGISTRATION

Students must contact their assigned academic advisor for any schedule changes or adjustments. Advising is mandatory and required for all students prior to making any schedule changes, additions or withdrawals.

SCHEDULE CHANGES

Students are responsible for making any changes to their Kent State University schedules after consultation with an academic advisor. Schedule changes can **only** be made by the student. Parents/guardians and/or school counselors cannot make changes to a student's schedule. Notify your school counselor of any changes made to your schedule.

TEXTBOOKS

Contact your school district regarding their preference for providing required textbooks and to discuss how they want you to return textbooks at the end of the academic term. Students should not participate in book buyback unless specifically authorized to do so by their school district.

PARKING PERMIT HANG TAGS

Parking is free but does require a parking permit hang tag. Students taking courses on campus will receive an email with instructions on when they can pick up their hang tag. Students will need to register their cars. Students should only park in designated student lots, and passes are valid for fall and spring. For more information, visit www.kent.edu/stark/parking-services.

REGISTRATION FOR SUMMER OR FALL 2022

Students planning to continue for Summer or Fall 2022 must **complete the CCP Continuation Form sent to the student's Kent State email**. During spring, students will receive information on their next steps before scheduling an advising appointment. CCP student registration occurs during open registration.
