

Clinical Experiences Advisory Committee (CEAC)

October 14, 2005

9:00-12:00

Room 305, White Hall

AGENDA

Announcements

1. Collaboration Handbook

Discussion

1. Field Experiences
 - Summary data of placements each semester
 - For Educational Psychology and Principles of Teaching courses in particular, do we request field placements specifically in the students' program areas or broadly across grade levels/content areas etc.?
 - For candidates employed in schools, can they use their sites to fulfill field requirements?
 - How do we handle the conflicting schedules of courses/our candidates and teachers' schedules in schools?
2. Policy on changing field experience and student teaching placements
3. ST Information Card and teacher candidate meeting with Faculty Advisor
4. Other topics?
