* Students will receive credit for up to 32 semester hours of "Various Nursing Courses".

** Students will be permitted to take upper division NURS coursework upon completing CHEM 10055 Molecules of Life. Please speak with a Kent State University academic advisor for more information.

Course will fulfill Kent State University's Kent Core (general education) requirement.

@ Course may be taken at Columbus State Community College and transferred to Kent State. However, please be aware of Kent State's residence policy, which can be found in the Kent State University Catalog.

Admission Requirements

Admission to the Nursing for Registered Nurses major is selective. Criteria for admission includes the following: Evidence of admission in good standing from a state-approved associate degree or diploma nursing program with a minimum 2.000 (on a 4.0 scale) overall GPA.

Requirements to graduate with the BSN degree program: To graduate, students must have minimum 120 credits hours, 39 upper-division credits hours of coursework, a minimum 2.0 major GPA and minimum 2.00 cumulative GPA. They must also fulfill an approved experiential learning experience, a two-course diversity requirement (domestic and global), complete a writing intensive course with a minimum C (2.000) grade. More specific graduation requirement information can be found in the Academic Policies section of the Kent State University Catalog (www.kent.edu/catalog).
