**135 TOTAL CREDIT HOURS TO COMPLETE BS
FROM KSU, INCLUDING TRANSFER
COURSEWORK**

Course will fulfill Kent State University's Kent Core (general education) requirement.

Please be aware of Kent State University's residence policy, which may be affected by the number of credits transferred, which can be found in the Kent State University Catalog.

Requirements to graduate with the BS degree program: To graduate, students must have minimum 120 credits hours, 39 upper-division credits hours of coursework, a minimum 2.0 major GPA and minimum 2.00 cumulative GPA. They must also fulfill an approved experiential learning experience, a two-course diversity requirement (domestic and global), complete a writing intensive course with a minimum C (2.000) grade. More specific graduation requirement information can be found in the Academic Policies section of the Kent State University Catalog (www.kent.edu/catalog).

This information is provided solely for the convenience of the reader, and KSU expressly disclaims any liability which may otherwise be incurred. This publication is neither a contract nor an offer to make a contract. While every effort has been made to ensure the accuracy of the information, KSU reserves the right to make changes at any time with respect to course offerings, degree requirements, services provided, or any other subject addressed herein.

It is recommended that students intending to pursue the Bachelor of Science in Public Health through Kent State University consult with academic advisors at both Cuyahoga Community College and Kent State University.
