

# Kent State University School Psychology Ph.D. Program

## Year 2 Program Assessment and Progress Report

Consistent with the APA Committee on Accreditation's (CoA) *Guidelines and Principles* and the NASP training standards, each student will be provided with written and oral feedback about his/her status in the program on an annual basis. The following areas are priorities for self-assessment and feedback for students who are completing Year 2 coursework. Program faculty conduct a review of each student's progress and performance at the end of Year 2. Written and oral feedback about student progress will be provided in a conference with the student's advisor following the faculty discussion. This meeting will take place over the summer.
