

Master's Degree in Educational Technology

Kent State University

PROGRAM OF STUDY

Candidates for the Educational Technology (ETEC) master's degree must complete a minimum of 30 hours of graduate level course work. The program includes 12 hours of core requirements, 9 hours in a specialization area, 3 hours of a culminating experience, and 6 hours of electives. Other elective coursework may be included with the permission of the student's advisor. Students seeking a Computer Technology Endorsement should complete the specialization in Management of Educational Technologies and work with faculty to ensure that the culminating experience meets the requirements for licensure. Students must have signed approval of a program of study before beginning their third semester of coursework. The program of study must be filed with the Office of Graduate Student Services (418 White Hall). Changes must be approved by the advisor before graduation.
