<b>122-123 Total Credit Hours to Graduate with the BRIT, including transfer coursework, from Kent State University</b>			

@ Course may be taken at Eastern Gateway Community College and transferred to Kent State. However, please be aware of [Kent State's residence policy](#), which can be found in the Kent State University Catalog.

\* Minimum one course must be selected from the Humanities in Arts and Sciences area (KHUM), and minimum one course must be selected from the Fine Arts area (KFA)

To be able to register for Radiologic and Imaging Sciences (RIS) courses, students must be accepted to technical study. Acceptance to technical study is a selective process due to the limited number of students approved for each clinical education setting. Criteria for acceptance are the following:

- Completion of a radiologic technology, diagnostic medical sonography, nuclear medicine or radiation therapy program and be a registered technologist, sonographer, or therapist
- Minimum 2.750 overall GPA for the BRIT degree or 2.50 for the certificate program
- Completion of the interview process for those who meet program admission requirements
- Applicants should contact the program director of the radiologic technology program for advising

Requirements to graduate with the BS degree program: To graduate, students must have minimum 120 credits hours, 39 upper-division credits hours of coursework, a minimum 2.00 major GPA and minimum 2.00 cumulative GPA. They must also fulfill an approved experiential learning experience, a two-course diversity requirement (domestic and global), complete a writing intensive course with a minimum C (2.000) grade. More specific graduation requirement information can be found in the Academic Policies section of the Kent State University Catalog ([www.kent.edu/catalog](http://www.kent.edu/catalog)).
