Estimated Cost of Attendance
The estimated cost of attendance (COA) is not the bill you will receive from KSUCPM.

The COA is a way to help students and families budget the total amount it could cost to go to college each year that factors in costs not related to tuition, fees, room & board.

The COA includes:
- Billable Costs
  - Tuition
  - Fees
  - CPM Medical Plan (if applicable)
- Non-Billable Costs
  - Room and board (or a housing and food allowance for off-campus students)
  - Allowances for books, supplies, transportation, and loan fees.

The cost of attendance is an estimated amount and can change at any time.
