Proposal Summary

Explain the purpose for this proposal:

The purpose of this proposal is to update course content. This revision will better reach student learning needs and required accreditation learning objectives.

Explain how this proposal affects program requirements and students in your unit:

The only change to the coure is the content hours and there are no changes to the program requirements. The revisions to this course help to meet accreditation standards.

Explain how this proposal affects courses, program requirements and student in other units:

The course is only taken by Nutrition and Dietetic majors so it will not impact any students from other units.

Explain how this proposal affects enrollment and staffing:

This course is taught every Spring semester and will continue to be taught on that rotation.

Units consulted (other departments, programs or campuses affected by the proposal):

None. This course is within the program area and does not encroach on any other programs.
