KSUCPM PRESENTS:

THE 3RD ANNUAL NORTH COAST FOOT & ANKLE SYMPOSIUM

Thank you to our Presenting Corporate Sponsor!

Your registration supports student scholarships!
Thank you!

AUGUST 19-22, 2021
Kent State University College of Podiatric Medicine
Independence, OH

Kent State University College of Podiatric Medicine is approved by the Council on Podiatric Medical Education as a provider of Continuing Education in Podiatric Medicine. Kent State University College of Podiatric Medicine has approved this activity for a maximum of 26.5 CECH.
CONGRATULATIONS TO OUR 2020 & 2021 HALL OF FAME INDUCTEES & ALUMNI AWARD RECIPIENTS

The Hall of Fame & Alumni Awards Dinner, traditionally the feature event of KSUCPM’s Annual Alumni Reunion Weekend, serves to honor a cohort of alumni award recipients, as well as induct new members into the Hall of Fame Society. Taking place Saturday, August 21st this year, the event will stand alone as an intimate dinner shared by both 2020 and 2021 honorees. The casual Friday night student and alumni networking event, as well as the OPMSA Annual Golf Outing will return for the 2022 Alumni Reunion Weekend.

Presenting the 2021 Hall of Fame Inductees and Alumni Award Recipients:

- 2021 Hall of Fame Inductee: David Alper, DPM, Class of 1983
- 2021 Hall of Fame Inductee: Robert “Tim” Yoho, DPM, MS, FACFAS, Class of 1985
- 2021 Alumni Service Award: Coleman Clougherty, DPM, Class of 2012
- 2021 Young Physician Professional Award: Lauren Kishman, DPM, Class of 2011
- 2021 Corporate Partner of the Year Award: Podiatry Content Connection

Presenting the 2020 Hall of Fame Inductees and Alumni Award Recipients:

- 2020 Hall of Fame Inductee: Marc Lenet, DPM, Class of 1970
- 2020 Hall of Fame Inductee: James Dooley, DPM, Class of 1969
- 2020 Alumni Service Award: Debra Thornton, DPM, Class of 1986
- 2020 Young Physician Professional Award: Frank Luckino, DPM, Class of 2011
- 2020 Distinguished Alumni Award: Robert “Tim” Yoho, DPM, MS, FACFAS, Class of 1985
- 2020 Corporate Partner of the Year Award: Bako Diagnostics

The Alumni Reunion Weekend exists to benefit the OPMSA Outstanding Student Scholarship Fund, which serves to provide funding to high-achieving, fourth-year students demonstrating financial need. To support KSUCPM students this year in absence of Alumni Reunion Weekend, please scan our QR code with your camera phone, or visit https://www.kent.edu/cpm/support for ways to give year-round.

WELCOME TO THE 3RD ANNUAL NORTH COAST FOOT & ANKLE SYMPOSIUM

Thank you for attending the 2021 North Coast Foot & Ankle Symposium! Here at Kent State University College of Podiatric Medicine, all continuing medical education programming is thoughtfully crafted with all proceeds given directly to students through The OPMSA Outstanding Student Scholarship Fund. Whether an alumnus of the college, or a valued supporter, we are happy to welcome you to campus!

Registration opens at 7:00AM on Thursday, August 19th and is located in the KSUCPM Lower Level Lobby. Sign-in stations are located in the Exhibit Hall. *Sign-in location subject to change.

The sign-in schedule is as follows:

- Thursday, August 19: 8.5 Category 1 CECH
  AM Sign-in: 3 Category 1 CECH
  PM Sign-in: 5.5 Category 1 CECH
- Friday, August 20: 7 Category 1 CECH
  AM Sign-in: 3 Category 1 CECH
  PM Sign-in: 4 Category 1 CECH
- Saturday, August 21: 7 Category 1 CECH
  AM Sign-in: 4 Category 1 CECH
  PM Sign-in: 3 Category 1 CECH
- Sunday, August 22: 4 CECH Total Category 1
  AM Sign-in: 4 Category 1 CECH
  PM Sign-in: 0 Category 1 CECH

To ensure that your certificate reflects the proper credits earned, you will need to sign-in at each morning and afternoon session that you attend. CME verification forms will be available at the registration desk for address or information updates only. CME certificates will be e-mailed within two weeks following the seminar.

Thank you for your support of the Kent State University College of Podiatric Medicine 3rd Annual North Coast Foot & Ankle Symposium!

The KSUCPM Continuing Medical Education Team

Syposium Lunch Options:

Option 1: Attend an industry-lead, non-CME lunch & learn at KSUCPM:
Please note that space is very limited for each of our lunch & learn opportunities, and pre-registration is required. Please check your itinerary or visit the company’s booth for details.

Option 2: “Fork in the Road” Food Truck:
If you do not plan to attend lunch & learn activities, the Kent State University Fork in the Road food truck will be parked outside of the College on Thursday and Friday during lunch hours only.

See registration desk for menu options. *Meal costs at the food truck are not included in registration.

Local restaurants, all less than 5 miles from the College:
- Aladdin’s Eatery
- Applebee’s
- Auggie’s Pizza
- Bob Evans
- Bonefish Grill
- Chipotle Mexican Grill
- Denny’s
- DiBella’s Subs
- Jimmy John’s
- McDonald’s
- Mell Bar & Grilled
- Outback Steakhouse
- Panera Bread
- Potbelly Sandwich Shop
- Pulp Juice & Smoothie Bar
- Quaker Steak & Lube
- Red Robin Gourmet Burgers
- Rockside Thai Gourmet
- Slyman’s Tavern
- Starbucks
- Wendy’s
- Yours Truly Rockside
- Zoe’s

Kent State University College of Podiatric Medicine is proud to team up with industry professionals to offer optional lunch & learn opportunities throughout the symposium. Space is very limited and pre-registrations required. Please see the registration desk with questions.
**Thursday, August 19, 2021**

8:5 Total Category 1 CECH

AM Sign-in: 3 Category 1 CECH

PM Sign-in: 5.5 Category 1 CECH

includes 2-hour PICA Risk Management Lecture

Congress Registration

Welcome Address

**Forefoot Derangement**

- Lesser Metatarsal Osteotomy Techniques - Mark Hardy, DPM
- Extraarticular Hammertoe Correction - James Connors, DPM
- Jones Fractures: The Basics - Molly Judge, DPM
- Lapidus: Same Day Weight Bearing - Larry DiDomenico, DPM
- Hallux Valgus Algorithms - Duane Ehredt, DPM
- Q&A - Molly Judge, DPM

**BEVERAGE BREAK**

A Little of This and That

Forefoot Derangement

- The Complicated Rearfoot & Ankle - Mark Hofbauer, DPM
- Common Skin Cancer of the Lower Extremity - William P. Scherer, DPM
- Minimally Invasive Lateral Ankle Stabilization - Mark Razzante, DPM
- Best Practices for Diagnosing Osteochondroplasty - William P. Scherer, DPM
- PUSH Testing in Podiatric Medicine - William P. Scherer, DPM
- Q&A - Suhail Masadeh, DPM

**LUNCH ON OWN**

Sports Medicine

- Importance of Running Shoes - Mark Mendeszoon, DPM
- Arthroscopic ankle anatomy - Jonathan Sharpe, DPM
- Endoscopic cuneocuboid - Duane Ehredt, DPM
- Shoe Impact on Mechanical Foot Function - Scott Spencer, DPM
- Minimally Invasive Achilles Repair - James Connors, DPM
- Q&A - Jonathan Sharpe, DPM

**BEVERAGE BREAK**

Medicine, Radiology, Etc.

- Orthotic Control of Neuromuscular Patients - Molly Judge, DPM
- Complex Regional Pain Syndrome - Gary Most, DPM
- What’s New in Foot & Ankle MRI - Larry Osher, DPM
- Vascular Assessments in the Lower Extremities - Coleman Clougherty, DPM
- Considerations in Pigmented Villonodular Synovitis - Molly Judge, DPM
- Q&A - Molly Judge, DPM

**BEVERAGE BREAK**

“Informed Consent & The Anatomy of a Professional Liability Suit”

- Q&A - Dominic A. DeLaurentis, Jr., Esq.

Light Continental Breakfast: 7:00 a.m.

**Friday, August 20, 2021**

7 Total Category 1 CECH

AM Sign-in: 3 Category 1 CECH

PM Sign-in: 4 Category 1 CECH

Congress Registration

Welcome Address

**Ankle**

- My 20 Year Total Ankle Replacement Experience - Larry DiDomenico, DPM
- Talar Dome Subchondroplasty - Gary Most, DPM
- Complications of Ankle Fractures - Suhail Masadeh, DPM
- Principles in Peroneal Tendon Dysfunction - Molly Judge, DPM
- Limb Salvage in the Charcot Patient - Lawrence DiDomenico, DPM
- Q&A - Jonathan Sharpe, DPM

**BEVERAGE BREAK**

Complications Panel

- Case - Mark Hardy, DPM
- Case - Gary Most, DPM
- Case - Duane Ehredt, DPM
- Case - Larry DiDomenico, DPM
- Case - Bud Visser, DPM
- Q&A - Gary Hardy, DPM

LUNCH ON OWN

Optional Non-CME Lunch and Learn — Sponsored by 3M Health Care – Pod Mod 182 (College Level 2)

“Innovative Approaches to Help Improve Patient Outcomes”

(Pre-Conference registration through 3M Healthcare’s Cvent event link was required)

Trama

- Ankle Fracture Management - Mark Hofbauer, DPM
- Conservative Management of Achilles Ruptures - Mark Razzante, DPM
- Management of Athletic Trauma - Mark Mendeszoon, DPM
- Peroneal Tendonopathy - Bud Visser, DPM
- Pediatric Trauma - Mark Hofbauer, DPM

**BEVERAGE BREAK**

Flatfoot Panel

- Impact of Equinus in Flatfoot Surgery - Christina Pratt, DPM
- Calcaneal Osteotomies - Jordan Grossman, DPM
- Complications in Midfoot Surgeries - Coleman Clougherty, DPM
- Thoul Shalt Nil Varus - Bud Visser, DPM
- Subtalar Distraction Arthrodesis - Gary Most, DPM
- Supple Flatfoot Deformity: Planal Dominance Algorithms - Bud Visser, DPM
- Q&A - Jordan Grossman, DPM
Saturday, August 21, 2021

7 Total Category 1 CECH
AM Sign-in – 4 Category 1 CECH
PM Sign-in – 3 Category 1 CECH

Light Continental Breakfast: 7:30 - 9:00 a.m.

Diabetes/Wound Care Part 1
- Venous Insufficiency and VLU Management - Teresa Carman, MD
- Atypical Wounds: A Dermatologist’s Perspective - Elliot Mostow, MD
- Vascular Assessment and Management - Tarek Hammad, MD
- The Utility of Topical Oxygen Therapy in Wound Healing - Windy Cole, DPM

BEVERAGE BREAK

Diabetes/Wound Care Part 2
- Preventing Ulcer Recurrence - Nicole Nicolosi, DPM
- Decreasing Bioburden in DFUs - Michael Maier, DPM
- Acoustic Cellular Therapy in DFUs - Windy Cole, DPM
- Management of Diabetic Foot Syndrome - Suhail Masadeh, DPM
- Tendon Balancing in the Diabetic Foot - Suhail Masadeh, DPM
- ODA - Windy Cole, DPM

LUNCH ON OWN

Podiatric Potpourri
- Midfoot Cavus Reconstruction - Bud Visser, DPM
- Plantar Fasciitis Pearls - Mark Hofbauer, DPM
- Revision Surgery of the Foot & Ankle - Larry DiDomenico, DPM
- Osteochondral lesions of the talus - Mark Hofbauer, DPM
- Management of Osseous Defects in the LE - Suhail Masadeh, DPM
- ODA - Podiatric Potpourri Faculty

BEVERAGE BREAK

Mulligan Soup
- Panel - Suhail Masadeh, DPM
- Panel - Suhail Masadeh, DPM
- Panel - James Connors, DPM
- Panel - Jordan Grossman, DPM
- Panel - Bud Visser, DPM
- Panel - Lawrence DiDomenico, DPM
- ODA - Mark Hardy, DPM

Sunday, August 22, 2021

4 Total Category 1 CECH
AM Sign-in – 4 Category 1 CECH

Light Continental Breakfast: 7:30 - 9:00 a.m.

Greater Cleveland Residency Symposium
- Resident Cases - Greater Cleveland Residents
- ODA - Molly Judge, DPM

General information- Kent State University College of Podiatric Medicine cannot be held liable for events beyond our control. All information in this brochure is accurate at the time of publication. The final schedule of lecture presentations is subject to change and will be published and distributed the first day of the seminar.
GOALS & OBJECTIVES

Understand deformities of the foot and ankle that cause gait abnormalities and pain. The panel of experts will review clinical diagnosis and the surgical management of the pediatric and adult flatfoot and cause foot. Operative interventions will be discussed including procedure selection and description of the accepted techniques. Pitfalls and complications of deformity correction will be discussed.

Recognize the medical conditions leading to pathology in the foot and ankle. The attendees will appreciate the underlying systemic diseases that affect planning and outcomes of surgical intervention. The attendee will identify common manifestations of systemic diseases in the lower extremity as well as how prevent the complications related to these systemic diseases.

Evaluate and treat. The attendee will become familiar with the clinical criteria used to evaluate and treat forefoot, midfoot, rearfoot and ankle pathologies. Conservative and surgical treatments will be based on evidence-based literature and clinical knowledge provided from expert panel.

Evidence-based guidelines on reducing operative complications. Understand pathologies leading to foot and ankle pain and deformity. The attendees will learn systematic approaches for evaluation of flat and ankle deformity as well as understand concomitant pathomechanics. The selection of diagnostic imaging modalities and how these studies influence the treatment method will be discussed. The content will ensure the attending research to help guide best practices of standard.

Treat traumatic injuries of the foot and ankle. The attendees will appreciate the various traumatic injuries and fractures that occur in the foot and ankle. This panel of experts will review traumas, diagnostic studies, surgical planning, surgical techniques, and rehabilitation practices to manage these injuries.

Understand best practices and guidelines accepted practices. Based on the clinical experiences of the panel of experts and the conclusions of the medical literature, the attendee will become familiar with optimal management strategies of foot and ankle care.

Recognize pediatric deformities presenting in the foot and ankle. The attendees will recognize common pediatric foot and ankle deformities. Clinical diagnosis, proper selection of surgical procedures, and timing and techniques will be emphasized to demonstrate proper management of pediatric foot and ankle pathologies.

Examine the role of imaging in diagnosing foot and ankle conditions. The attendees will examine the available imaging studies to effectively evaluate foot and ankle deformities and treatment planning. Manage patient cases involving staging principles, positioning and fluoroscopy methods.

Establish ethical practices. The attendees will be exposed to common ethical considerations relating to the practice of medicine and understand the multifaceted nature of the doctor-patient relationship. The changing landscape of healthcare with the influence of social media, healthcare policy, and digitalization of medical records will be discussed.

PISA Risk Management Lecture: “Informed Consent & The Anatomy of a Professional Liability Suit.” - Presenting the understanding of the different components of a professional liability case and how they may be handled - Learn strategies that will help assist you if you are ever involved in a lawsuit - Understand the legal and ethical obligations of obtaining informed consent - Identify strategies and best practices for obtaining informed consent (or refusal) and discussing the discussion
Celebrating PICA’s 40th Anniversary

40 years of protecting the reputations and livelihoods of podiatric physicians and surgeons.

40 years of influencing and growing with the podiatry industry and advancing the podiatric profession.

40 years of protecting our podiatrists so they can focus on patient care and being the best healthcare practitioner possible.

Forty years and forward!

GENERAL INFORMATION

• Accreditation Statement: Kent State University College of Podiatric Medicine is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. Kent State University College of Podiatric Medicine has approved this activity for a maximum of 26.5 CECH.

• KSUCPM Education Mission Statement: The Mission of the Kent State University College of Podiatric Medicine is to excel in and contribute to medical and health care education by providing comprehensive, innovative, educational, and cost-effective Continuing Education programs that serve the podiatric community. We aspire to be a leader in Continuing Education for the podiatric profession and offer various educational formats with large lectures and small classroom workshops that create "hands-on" training and demonstration. We educate podiatrists with the latest technology, surgical and pragmatic methods, and insight where knowledge is applied into everyday podiatric practices.

• Non-Discrimination and Accomodations: No person shall be denied registration or participation in any continuing education program provided by Kent State University College of Podiatric Medicine for reasons of race, color, creed, religion, national origin, sex, marital status, familial status, disability, public assistance, age, or sexual orientation.

• Disclosure: Each speaker is requested to disclose any financial or other relationships they might have with a manufacturer of any commercial product to be discussed during their presentation as well as any commercial contribution of the activity. All speakers and continuing education providers are required to provide disclosure and written agreement within CPME 720 guidelines. KSUCPM is approved by the Council of Podiatric Medical Education as a provider of continuing education.

Sponsors of the Continuing Education Conference did not support any CME related activities unless otherwise stated. Any commercial supporter of a CME related activity has completed a commercial support agreement and agrees to abide by all requirements of the CPME Standards for Commercial Support of Continuing Podiatric Medical Education.

• Intended Audience: Podiatric physicians, residents
