

APPROVAL OF GRADUATE INDIVIDUAL INVESTIGATION COURSEWORK
BSCI 50196/70196 (1-3 credit hours)

The faculty of the Department of Biological Sciences approved the following policy regarding graduate enrollment in untitled sections Biological Sciences 5/70196 (Individual Investigation).

- a. A maximum of six hours of credit will be graded A, B, C, D or F.
- b. Each credit hour should require a minimum of 3 research hours per week for spring or fall semester; 9 research hours per week (Summer I or Summer III); 5.5 hours per week (Summer II).
- c. Approval and agreement of the student, faculty advisor, and the Graduate Coordinator of the Department must be obtained at the time of registration in these controlled sections. Completion of the form below will serve as permission to enroll in these controlled courses.
- d. Signed copies of this form will be distributed to the student, the faculty advisor and the Graduate Coordinator.

Project Title:

Approvals:

Student: _____
Project Advisor: _____
Graduate Coordinator: _____

The following topics need to be addressed in the Description:

- what the student will do
- where the student will do the project
- nature of the final product (e.g. written report)
- basis of the final student evaluation (e.g. complete the study agreed upon, quality of the final report, etc.)
- a statement to the effect that “the project will be done at no cost to the Department.”

Please be sure the student receives the safety training required in order to work in a KSU laboratory.
