It is possible to study at AAU as a degree seeking student, as a short-term visiting student, or as an auditing student taking a specific course not for academic credit.

Degree seeking students can enter AAU as **independent students** if they obtained no academic credits at a college/university level prior to their application to AAU or also if they did obtain such credits yet do not want to or cannot have them transferred to AAU. Students with transferable credits enter AAU as **transferring students**.

Short-term visiting students coming from AAU's partner universities are called either **Erasmus exchange students** if they applied from a university with which AAU has an Erasmus+ agreement or **university exchange students** if their home university cooperates with AAU on a different type of bilateral agreement.
