

IB Middle Years Programme Level I, Level II, and Level III

Assignment for Graduate Credit

Please respond in the form of a thoughtful essay of approximately three pages to **one** of the following prompts:

- 1) Describe how this workshop will enable you to more successfully design your International Baccalaureate course. Please be specific to your subject.
- 2) Explain from the information gained at this workshop what are the significant keys to helping students complete the Extended Essay. Further describe how you intend to implement them with your students.
- 3) Explain the process that you will implement to improve the quality of your students' scripts. Please cite specific examples of high quality expectations and work.
- 4) Describe the manners in which you will change the day to day practices that you will employ in your classroom to improve your professional practice. Cite specific examples of shared ideas from this workshop.
- 5) Describe how you will incorporate the International Baccalaureate philosophy of internationalism into your course work. Cite specific examples that relate to your subject area.

Your paper will be graded on the basis of satisfactory or unsatisfactory completion of the assignment. **Please submit your paper to the instructor, Dr. Katie Knapp, at the following e-mail address: knapp@kent.edu.** All papers will be returned in a timely manner.

Grades will be posted at the end of fall term (approximately mid December), spring term (approximately mid May) and summer term (approximately mid August). Please consult your registration confirmation email for instructions to obtain a transcript.
