The Pre-Health Student Experience at Kent State University College of Podiatric Medicine is designed to provide insights into the many facets of podiatric medicine and the education involved with obtaining a Doctor of Podiatric Medicine degree.

The three-day internship allows students the opportunity to:

• Shadow DPMs at the Cleveland Foot & Ankle Clinic (CFAC)
• Shadow DPMs in a private practice setting
• Participate in medical-themed workshops, such as suturing, taping, and padding
• Interact with current Podiatric Medical Students and learn more about this growing medical specialty
