### 3.0 REQUEST FOR QUOTATION INSTRUCTIONS

- 3.1 **Quotation Instruction and Information:** In order to receive consideration, companies responding to this RFQ are required to submit their Quotation via DocuSign at <https://www.kent.edu/procurement/bids> and the Certificate of Completion must be timestamped "Signed" no later than the date and time specified. Quotations timestamped after that date and time will be rejected.

**Forms 1 through 9 must be completed, dated, and signed by a responsible company official, in addition to the information requested of your company.** Forms 1 through 9 must be completed and submitted via DocuSign. No other submission method will be accepted.

**It is the responsibility of the respondent to ensure that all required documentation, as enumerated above, arrives on time and at the designated location. Any submissions received after the stated date and time, or those that do not contain the required information as enumerated above, or the correct number of copies, will be considered incomplete and unresponsive, and will be disqualified.**

Instructions, manufacturer's model or catalog numbers, etc., where shown herein, are for descriptive purposes to guide the proposer in interpretation of the quality, design, and performance desired, and shall not be construed to exclude Quotations based on furnishing other types of material or service which may be judged as an acceptable alternate. If the description of your offer differs in any way, you must give a complete detailed description of your quotation including pictures and literature where applicable. Unless specific exception is made, assumption will be that you are submitting a Quotation exactly as the specifications of this document require. All prices MUST BE FIRM. Proposers will be expected to deliver on order(s) at the price quoted.

- 3.1 **New Product Lines:** Upon written request by the successful proposer, new related product lines, not available at the time of Quotation bidding, may be added during the course of this agreement at like discounts for the represented manufacturers.
- 3.2 **Specifications:** Specifications are based on equipment familiar to the University and are firm as listed, but reasonable substitutions may be considered.
- 3.3 **Exceptions to Specifications:** The proposer shall clearly state in the quote any exceptions to, or deviations from, these specifications, terms or conditions; otherwise, the proposer will be responsible for compliance with all requirements listed herein. Proposers shall provide a separate, itemized list of any and all exceptions. Such list must be cross referenced to the corresponding numbered item in this bid.
- 3.4 **Additional Information:** In the event that information submitted by the Respondent is unclear to the University, the University may request additional explanation from the Respondent for the purpose of evaluation and decisions. The respondent shall answer requests for additional information or clarification in writing, and these responses will become part of the company's overall submission. Respondents failing to provide adequate information on any issue in a timely manner to allow a comprehensive evaluation by the University shall be considered unresponsive, and their Quotation subject to rejection.
- 3.5 **Verbal Information:** Respondents shall NOT base the Quotation on verbal information from any employee of the University from the date and time the RFQ is received by the proposer, unless otherwise noted elsewhere in the RFQ. Any such incident will invalidate the Quotation, and bar that particular vendor from receiving a purchase or contract award. In case errors or omissions are found in the Quotation document, companies submitting Quotations shall at once inform the signee in the Procurement Department who will publish the correction to all companies.
- 3.6 **Evaluation and Contract Award:** Selection and award of contract will be made to the supplier whose Quotation, in the sole opinion of Kent State University, represents the best overall value to the University. Factors which determine the award are more fully detailed in the specifications, and will include, but will not be limited to, the following: Price, the proposer's responsiveness to all specifications in the RFQ, quality of the proposer's products

and/or services, ability to fulfill the contract, and general responsibility as evidence of past performance. Payment terms and cash discounts will be considered as determining factors in the contract award.

Should the total potential spend of the contract resulting from this RFQ, inclusive of all possible renewals, exceed or appear to exceed \$1.0 million, the final selection will be pending Board of Trustees approval at its next scheduled meeting; and appropriate contract review, approval and execution pursuant to University Policy.

Notwithstanding the above, this RFQ does not commit the University to enter into any contracts as described in this document. The University reserves the right to reject any or all offers and to waive formalities and minor irregularities in the Quotations it receives.

- 3.7 Proposer Presentations:** Proposers submitting Quotations which meet the selection criteria and which are deemed to be the most advantageous to the University may be required to give an oral presentation to the University selection team. Scheduling of these oral presentations will be done by the Procurement Department.
- 3.8 Samples:** Requested samples necessary for evaluation must be provided without cost or obligation to Kent State University, and shall become the property of the University. Upon request by the supplier, unless destruction, alteration or retention of the sample is required for evaluation purposes, samples may be returned to supplier at supplier's expense.
- 3.9 Procedure for Conducting Negotiations:**  
—**Who To Negotiate With First**  
After completion of the initial evaluation process, the University may begin negotiations with one or more vendors whose Quotations are most in keeping with the University's requirements as enumerated in the RFQ. Notification of such negotiations will be offered after a reasonable amount of time has elapsed from the Quotation deadline. Negotiations shall continue to the satisfaction of the University or, if the University determines a satisfactory agreement cannot be reached, the University may initiate negotiations with one or more of the remaining vendors.  
—**Negotiations With Multiple Vendors**  
The University reserves the right, at all times during the negotiation process, to negotiate with one or more vendors at the same time, but is under no obligation to do so. The vendor(s) with whom the University enters into negotiations must have present a representative with decision-making authority.  
—**If Negotiations Are Unsuccessful**  
With respect to any of the services that are a part of this RFQ, in the event that the University determines that a contract cannot be negotiated with any of the vendors who respond to the RFQ, the University shall have the right to issue a new RFQ or other process to seek qualified applicants, to provide the services itself, or to use another process (e.g., sole source contracting) in order to have the product(s) and/or service(s) provided.
- 3.10 Valid Quotations:** Quotations will be considered valid for a period of one hundred-twenty (120) days from the date of the Quotation.
- 3.11 Preference to United States and Ohio Products:** State of Ohio Am. H.B. 271 requires that preference be given to products produced or mined in the United States and in Ohio
- 3.12 Buy America:** Quotations will be evaluated to determine that a proposer's offering is for a "domestic source end product", as defined in the Federal Buy America Act, 41 U.S.C.A., and section 10a-10 d. Any proposer's offering that does not meet this requirement shall be rejected, except in those circumstances where a determination has been made that certain articles, materials and supplies are not mined, produced or manufactured in the U.S. in sufficient and reasonably available commercial quantities and of satisfactory quality.
- 3.13 Buy Ohio:** Sections 125.09 and 125.11 of the Ohio Revised Code require that in the evaluation of bids, the University give preference to products which are "mined, excavated, produced, manufactured, raised, or grown in the state by a person where the input of Ohio products, labor, skill, or other services constitutes no less than 25% of the manufactured cost", or products offered by bidders who have a "significant Ohio presence," defined to mean that the bidders:

Pay required taxes to the state of Ohio; and are registered and licensed to do business in the state of Ohio with the Office of Secretary of State; and have ten or more employees based in Ohio, or seventy-five percent or more of their employees based in Ohio.

Any bids meeting the above criteria will be given a preference of up to five (5) percent over the lowest price "non-Ohio" bid submitted; except that such preference will not be applied against vendors from bordering states, provided that the border state imposes no greater restrictions than contained in sections 125.09 and 125.11 of the Ohio Revised Code. Where it has been determined that selection of the lowest Ohio proposer, if any, will not result in an excessive price or a disproportionately inferior product or service, the contract shall be awarded to the low Ohio proposer at the Quotation price quoted. Where it is advantageous to award the contract to other than an Ohio proposer or Proposers from a border state, then the contract shall be awarded accordingly.

- 3.14 H.B. 476, State Contract and Boycotting:** Pursuant to R.C. 9.76(B) Consultant warrants that Consultant is not boycotting any jurisdiction with whom the State of Ohio can enjoy open trade, including Israel, and will not do so during the contract period.
- 3.16 Electronic Information Technology ("EIT") Compliance:** If the proposed product or service is an Electronic Information Technology ("EIT") product or service as such products or services are defined below in this Section, then your Quotation must include a response to this section so the proposed product or service can be evaluated by University personnel for compliance with the University Policy 4-16.

**If the proposed product or service is not an EIT product or service, consider this section complete.**

Pursuant to University Policy 4-16, Kent State University is committed to ensuring that its electronic and information technologies, including but not limited to, all information provided through university and third-party websites, online learning and course management systems, and curriculum, institutional and administrative data systems: (a) provide equal opportunity to the educational benefits and opportunities afforded by the technology; (b) provide equal treatment in the use of such technology; and (c) be accessible to individuals with disabilities in compliance with Section 504 of the Rehabilitation act of 1973, as amended and the Americans with Disabilities Act of 1990, as amended (ADA-AA) and other applicable laws of the State of Ohio.
