Concentration: Physical Education Teacher Education

**Prospectus**

**PLEASE NOTE:**

- You must schedule a meeting with your advisor to discuss the prospectus during the first semester of course work. Consult the graduate catalog for electives prior to meeting with your advisor.
- The prospectus must be completed and filed by the end of the first year of course work in 418 White Hall. Prior to filing the prospectus in 418 White Hall, make two (2) copies. Give one (1) copy to your major advisor. Retain one (1) copy for your personal use.
- Any deviation from the prospectus **MUST BE APPROVED IN ADVANCE** by the student's advisor. Changes are to be filed by the student with the Coordinator of Graduate Education Programs, Valorie Adkins, in Room 418 White Hall one semester prior to anticipated graduation. She can be contacted at 330-672-0559 or vadkins@kent.edu.
- You have 6 years to complete your M.Ed. program. This time limit begins when you take your first course toward the degree; or if you are seeking to transfer courses, your time limit begins with the earliest of those transferred courses.
- C&I 67001, Fundamentals of Curriculum, must be taken as soon as possible in your program.
- A minimum of 16 semester hours must be taken at the 60000 level or higher. A minimum of 18 semester hours must be taken at the Kent campus.
- Semester Offered is tentative. Please meet with your faculty advisor to plan your course of study.

**Purpose:**

This program leads to a multi-age (pre-K through 12th grade) license to teach Physical Education in the State of Ohio. The program is designed to prepare teacher candidates with competencies that meet the Beginning Teacher Standards of the Society for Health and Physical Educators (SHAPE America). The program includes field experience components at the elementary and secondary levels, and culminates with a full semester student teaching experience split between the two levels.

**Admission:**

Undergraduate degree preparation may be in any field, with applicants not required to have an undergraduate degree in Physical Education. Regardless of the undergraduate degree achieved, candidates must satisfy prerequisites for admission to the program. The admission requirements outlined below are additional to the requirements for admission into the M.Ed. degree (i.e., candidates must have an undergraduate degree with a Grade Point Average of at least 3.0, two appropriate letters of reference, and a well-articulated career goal statement). Over and above these general requirements, admission to the PETE concentration of the M.Ed. degree is a two-part process (outlined below) that might take time to complete if additional undergraduate coursework is required.

- a) Candidates provide a full resume and transcripts and meet with faculty for an interview.
- b) It is essential that candidates enter the program with some background and knowledge in the following areas:
  - 1. Physical Education Content
  - 2. Growth and Development
  - 3. Technology

Therefore, candidates are required to complete the following undergraduate courses (or equivalents), either at KSU or another institution, with an overall GPA of 3.0. These courses constitute a total of 23-24 undergraduate credit hours.
