CS 69191 Masters Seminar

Students are required to take at least two credit hours of CS 69191 for graduation. They must give a public presentation in the Masters Seminar of project and/or research work (this excludes Thesis or Project defense) a minimum of one time before graduation. The presentation must take place in the Master's seminar at least one full term before graduation and not more than two years after entering the program. This course can be taken multiple times, but counts for only two credits towards the degree.
