GET CERTIFIED.
GET AHEAD!

INVEST IN YOURSELF WITH THE MICROSOFT CERTIFICATION PROGRAM

EARN COLLEGE CREDIT
Students can earn college credit that can be applied to a degree program at Kent State University at Stark. Let our advisors help figure out how this could work for you!

GET HIRED
Employers know that certified staffers can be more valuable. So tech companies actively look to hire and promote candidates with certifications.

MAKE MORE MONEY
Certified employees earn 15 percent more, on average, than employees without a certification.

GET PROMOTED SOONER
Certification can help you succeed in your work so you can pull ahead of the pack when applying for your next promotion, project, or opportunity.
Self-paced

Students at any skill level can complete this class. Our expert faculty members will customize the instruction to meet your needs and help you achieve your goal on your time.

Let’s talk possibilities.

Individualized Instruction

During the program, students will have opportunities for weekly coaching sessions with our expert faculty member. Get your questions answered directly and completely.

Test Ready

In addition to faculty-curated course material, students will have free access to MindTap. This powerful test preparation software will ensure you are ready to pass the certification exam. (Exam is included with course)

Career Builder

This certification will help you get ahead but it’s just the beginning of your professional journey. Stack additional certificates to help increase your skillset and marketability.
