

Kent State University – College of Applied and Technical Studies
Associate Degree in Nursing Program

Notice

During the days of September 22nd and September 23rd, 2020 the Ohio Board of Nursing will be conducting a virtual 3-year survey visit at Kent State University, East Liverpool campus for consideration of reapproval of the Associate Degree in Nursing (ADN) education program.

The Ohio Board of Nursing wishes to provide students, faculty and teaching assistants at all campuses offering the ADN program with the opportunity to provide feedback to the Board Surveyors.

Therefore, we are providing you with information about how to contact the Ohio Board of Nursing Education Regulatory Surveyor with your comments.

Contact: Ms. Kristie Oles, Ed.D., MSN, BA, RN, FRE
Education Regulatory Surveyor
koles@nursing.ohio.gov
With subject line: KSU ADN Survey Visit
Please identify your campus

The virtual survey visit will be at the Kent State University, East Liverpool campus. Students, faculty and teaching assistants will have an opportunity to interact with the Ohio Board of Nursing Education Regulatory Surveyor via Zoom.

To access the rules by which the program will be evaluated by the board survey visitor, go to the website for the Ohio Board of Nursing at; www.nursing.ohio.gov, click on “Laws and Rules” or go directly to <http://codes.ohio.gov/oac/4723-5>.

To be most useful, the Board requests your comments on or before Tuesday, September 15th, 2020 but you can make comments at any time.

Thank you for your assistance. Dr. Carol J Hrusovsky, Program Administrator
