ATHLETIC COACHING MINOR

The Athletic Coaching minor provides students with the knowledge and skills to coach in youth sport settings, K-12 schools, and colleges. The "National Standards for Sport Coaches," published by the Society of Health and Physical Educators (SHAPE America), serves as the guiding basis for this minor. Admission to the minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree, or the A.T.S. degree (not Individualized program major). An internship completes this minor as a capstone experience. Students will also complete the American Red Cross First Aid and CPR certification to successfully complete the minor.
