

GDK has been selected for contract award for the subject RFP. CPM would like to utilize your Wellfleet option.

At your earliest convenience, please provide me the following via email:

- 1) Draft contract documentation for our administrative and legal review in Word format; please include length of term and renewal options consistent with the RFP
- 2) Approximate anticipated annual cost
- 3) Savings over your proposed United HealthCare option, if any

Again, congratulations, and we look forward to working with you again. In addition to the above, let me know if you have any questions.
