

Ben, good afternoon and happy new year. It is my pleasure to send this email to notify you that Grok has been selected for contract award for the subject RFP, based on your proposal and subsequent discussion. Congratulations!

At your earliest convenience, please provide me via email a draft contract for your services for our administrative and legal review. In the meantime, please work with Sarah Malcolm, copied on this email, on any preliminary work required for integration in the new contact period.

I look forward to hearing from you. Thank you, and again, congratulations.
