General Information

**What is your agreement with us?**

This certificate summarizes the principal provisions of your accidental death and dismemberment insurance provided by the group policy. The provisions summarized in this certificate are subject in every respect to the group policy. Your signed application is deemed a part of this certificate.

Any statements made in your application will, in the absence of fraud, be considered representations and not warranties. Also, any statement made will not be used to void your insurance nor defend against a claim unless the statement is contained in your signed application, and a copy containing the statement is furnished to you, the beneficiary, or your or the beneficiary’s personal representative.

This certificate is issued in consideration of your application and the payment of the required premium.

In making any benefits determination under this certificate and the group policy,
we shall have the discretionary authority both to determine an individual's eligibility for benefits and to construe the terms of this certificate and the group policy.

Can this certificate be amended?

Yes. Your consent is not required to amend this certificate. Any amendment will be without prejudice to any claim for benefits incurred prior to the effective date of the amendment.

Who is eligible for insurance?

An employee is eligible if he or she:

1. is a member of the eligible group and of an eligible class identified in the group policy; and
2. works for the employer for at least the number of hours per week shown as the minimum hours per week requirement on the specifications page attached to this certificate; and
3. has satisfied the waiting period, if any; and
4. meets the actively at work requirement described in the "What is the actively at work requirement?" provision of this section.

Are retired employees eligible for insurance?

If the policyholder’s plan of insurance, as shown on the specifications page attached to the group policy, does not specifically provide insurance for retired employees, a retired employee shall not be eligible to become insured, nor to have his or her insurance continued. If the policyholder’s plan of insurance specifically provides insurance for retired employees, the minimum hours per week and actively at work requirements will not apply to such persons.

What is the actively at work requirement?

To be eligible to become insured or to receive an increase in the amount of insurance, an employee must be actively at work fully performing his or her customary duties for his or her regularly scheduled hours at the employer’s normal place of business, or at other places the employer’s business requires him or her to travel.

Employees not working due to illness or injury do not meet the actively at work requirement. Nor do employees receiving sick pay, short-term disability benefits or long-term disability benefits.

If the employee is not actively at work on the date coverage would otherwise begin, or on the date an increase in his or her amount of insurance would otherwise be effective, he or she will not be eligible for the coverage or increase until he or she returns to active work.

However, if the absence is on a non-work day, coverage will not be delayed provided the employee was actively at work on the work day immediately preceding the non-work day.

Except as otherwise provided for in this certificate, an employee is eligible to continue to be insured only while he or she remains actively at work.

When does your insurance become effective?

Your insurance becomes effective on the date that all of the following conditions have been met:

1. you meet all eligibility requirements; and
2. if required, you apply for the insurance on forms which are approved by us; and
3. we receive the required premium.

Can an insured's coverage be continued during the employee’s sickness, injury, leave of absence or temporary layoff?

Yes. The employer may continue your noncontributory insurance or allow you to continue your contributory insurance when you are absent from work due to sickness, injury, leave of absence, or temporary layoff.

Continuation of your insurance is subject to certain time limits and conditions as stated in the group policy. If you stop active work for any reason, you should discuss with the employer what arrangements may be made to continue your insurance.

Premiums

When and how often are premiums due?

Unless the policyholder and we have agreed to some other premium payment procedure, any premium contributions you are required to make for contributory insurance are to be paid by you to the policyholder on a monthly basis. We apply premiums consecutively to keep the insurance in force.

How is the premium determined?

The premium will be the premium rate multiplied by the number of $1,000 units of insurance in force on the date premiums are due. The premium may also be computed by any other method on which the policyholder and we agree.

We may change the premium rate:

1. on any premium due date following the expiration of any rate guarantee; or
2. irrespective of any rate guarantee, anytime, if the policy terms are amended or the total amount of insurance in force changes by 20% from the volume that was used to determine the current rates or more.
Accidental Death and Dismemberment Benefit

What does accidental death or dismemberment by accidental injury mean?

Accidental death or dismemberment by accidental injury means that an insured’s death or dismemberment results, directly and independently of all other causes, from an accidental injury which is unintended, unexpected, and unforeseen.

The injury must occur while the insured’s coverage is in force. The insured’s death or dismemberment must occur within 365 days after the date of the injury.

What is the amount of the accidental death and dismemberment benefit?

The amount of the benefit shall be a percentage of the amount of insurance shown on the specifications page attached to this certificate. The percentage is determined by the type of loss as shown in the following table:

<table>
<thead>
<tr>
<th>TYPE OF LOSS</th>
<th>PERCENT OF AMOUNT OF INSURANCE</th>

<tr>
<td>Life</td>
<td>100%</td>

<td>50%</td>
</tr>
<tr>
<td>Hemiplegia</td>
<td>50%</td>
</tr>
<tr>
<td>Thumb and Index Finger of One Hand</td>
<td>25%</td>
</tr>
</tbody>
</table>

Loss of hands or feet means complete severance at or above the wrist or ankle joints. Loss of sight, speech, or hearing means the entire and irrecoverable loss of sight, speech, or hearing which cannot be corrected by medical or surgical treatment or by artificial means. Loss of thumb and index finger means complete severance of both the thumb and the index finger at or above the metacarpophalangeal joints.

Quadriplegia means total paralysis of both upper and lower limbs. Paraplegia means total paralysis of both lower limbs. Hemiplegia means total paralysis of upper and lower limbs on one side of the body.

A benefit is not payable for both loss of thumb and index finger of one hand and the loss of one hand for injury to the same hand as a result of any one accident. Under no circumstances will more than one benefit be made for the same loss or paralysis of the same limb.

Benefits may be paid for more than one accidental injury, but the total amount of insurance payable for all of an insured’s losses due to any one accident, not including any amount paid according to the terms of the Additional Benefits section of this certificate, will never exceed your full amount of insurance shown on the specifications page attached to this certificate.

Can you request a change in the amount of your contributory insurance?

Yes. You can request an increase or a decrease in the amount of your contributory insurance as shown on the specifications page attached to this certificate. Requests may be made in writing, by telephone or any other method made available by us.

When will changes in coverage amounts be effective?

Increases and decreases in amounts of contributory insurance will be effective as shown on the specifications page attached to this certificate. All increases in the amount of insurance are subject to the actively at work requirement.

What are the notice of claim and proof of loss requirements?

Written notice of injury on which a claim may be based must be given to us within 30 days after the accident. Proof of loss must be furnished to us within 90 days after the date of loss. However, failure to give such notice and proof within the time provided will not invalidate the claim if it is shown that notice and proof were given as soon as reasonably possible.

When we receive written notice of claim, we will send the claimant our claim forms if he or she needs them. If the claimant does not receive the forms within 15 days, we will accept his or her written description as proof of loss.

When will the accidental death or dismemberment benefit be payable?

We will pay the accidental death or dismemberment benefit upon receipt at our home office of written proof satisfactory to us that you died or suffered a covered dismemberment as a result of a covered accidental injury. All payments by us are payable from our home office.

The benefit will be paid in a single sum. We will pay interest on the benefit from the date of your death or dismemberment until the date of payment. Interest will be at an annual rate determined by us, but never less than 0.1% per year or the minimum required by state law, whichever is greater.

To whom will we pay the accidental death or dismemberment benefit?

In the case of your accidental death, we will pay the accidental death benefit to the beneficiary or beneficiaries. All other benefits will be payable to you, if living, otherwise to your estate.
A beneficiary is named by you to receive the accidental death benefit to be paid at your accidental death. You may name one or more beneficiaries.

You cannot name the policyholder or an associated company as a beneficiary.

You may also choose to name a beneficiary that you cannot change without the beneficiary’s consent. This is called an irrevocable beneficiary.

If there is more than one beneficiary, each will receive an equal share, unless you have requested another method in writing. To receive the accidental death benefit, a beneficiary must be living at the time of your accidental death. In the event a beneficiary is not living at the time of your accidental death, that beneficiary’s portion of the accidental death benefit shall be equally distributed to the remaining surviving beneficiaries. In the event of the simultaneous deaths of you and a beneficiary, the accidental death benefit will be paid as if you survived the beneficiary.

If there is no eligible beneficiary, or if you do not name one, we will pay the accidental death benefit to:

1. your lawful spouse, if living, otherwise;
2. your natural or legally adopted child (children) in equal shares, if living, otherwise;
3. your parents in equal shares, if living, otherwise;
4. your natural or legally adopted siblings in equal shares, if living, otherwise;
5. the personal representative of your estate.

Can you add or change beneficiaries?

Yes. You can add or change beneficiaries if all of the following are true:

1. your coverage is in force; and
2. we have written consent of all irrevocable beneficiaries; and
3. you have not assigned the ownership of your insurance.

A request to add or change a beneficiary must be made in writing or by any other method made available under the plan. All requests are subject to our approval. A change will take effect as of the date it is signed, but will not affect any payment we make or action we take before receiving your request.

Exclusions

What are the exclusions under this certificate?

In no event will we pay the accidental death or dismemberment benefit where the insured’s death or dismemberment results from or is caused directly or indirectly by any of the following:

Additional Benefits

Unless stated otherwise, additional benefits are payable to the same person or persons who receive the accidental death and dismemberment benefits. Additional benefits are paid in addition to any accidental death and dismemberment benefits described in the Accidental Death and Dismemberment section, unless otherwise stated. All provisions of the certificate, including but not limited to the Exclusions section, shall apply to these additional benefits.

Air Bag Benefit

What is the air bag benefit?

If an insured dies as a result of a covered accident which occurs while he or she is driving or riding in a private passenger car, we will pay an additional accidental death and dismemberment benefit equal to the lesser of:

Disappearance Benefit

What is the disappearance benefit?

If an insured’s body has not been found after one year from the date the conveyance in which he or she was traveling disappeared, exploded, sank, became stranded, made a forced landing or was wrecked, it shall be presumed, subject to all other terms of the policy, that the insured has died as a result of an accidental injury which was unintended, unexpected and unforeseen. Such death shall be considered a covered loss under this certificate.

Exposure Benefit

What is the exposure benefit?

If an insured is unavoidably exposed to the elements by reason of a covered accident and suffers a loss that is included in the list of covered losses as a result of such exposure, such loss will be covered under the terms of this certificate.

Public Transportation Benefit

If an insured dies as a result of a covered accident which occurs while the insured is a fare-paying passenger on a public transportation vehicle, we will pay an additional benefit equal to the lesser of:

1. The insured’s full amount of insurance; or
2. $200,000.

Repatriation Benefit

What is the repatriation benefit?

If, as a result of a covered accident, an insured dies at least 75 miles from his or her principal residence, an additional accidental death benefit shall be paid for the preparation and transportation of the body to a mortuary. The additional benefit shall be the lesser of the actual cost of such preparation and transportation or $5,000. The benefit will be paid to the person who has or who will incur such cost, as evidenced to the satisfaction of Minnesota Life. This may or may not be the beneficiary for the rest of the accidental death proceeds. Minnesota Life may at its sole discretion pay benefits directly to the facility handling the preparation and/or transportation. All determinations and payments by Minnesota Life will be final and fully release and discharge Minnesota Life from any further liability under this repatriation benefit.

Seatbelt Benefit

What is the seatbelt benefit?

If an insured dies as a result of a covered accident which occurs while he or she is driving or riding in a private passenger car, we will pay an additional accidental death and dismemberment benefit equal to the lesser of:

1. $10,000; or
2. 100% of the insured’s amount of insurance

In order to be eligible for this benefit, the following must apply:

1. The private passenger car was equipped with seatbelts; and
2. A seatbelt was in proper use by the insured at the time of the accident as certified in the official accident report or by the investigating officer; and
3. At the time of the accident, the driver of the private passenger car was a licensed driver and was not intoxicated, impaired, or under the influence of alcohol or drugs.

Seatbelt means a properly installed seatbelt (or child restraint if the insured is a child), lap and shoulder restraint, or other restraint approved by the National Highway Traffic Safety Administration or any successor governmental agency. A private passenger car means a validly registered four-wheeled private passenger car or policyholder-owned car, jeep, pickup truck or van, including a sport utility vehicle (SUV), that is not licensed commercially or being used for racing, or acrobatic or stunt driving.
Termination

When does your insurance end?
Your insurance ends on the earliest of the following:

1. the date the group policy ends; or
2. the date you no longer meet the eligibility requirements; or
3. the date the group policy is amended so you are no longer eligible; or
4. 31 days (the grace period) after the due date of any unpaid premium if the premium remains unpaid at that time; or
5. the last day for which premium contributions have been paid following your written request to cease participation under this certificate; or
6. when the total amount of insurance paid under this certificate due to your accidental injuries, including any amount paid according to the terms of the Additional Benefits section of this certificate, equals one and one-half times the full amount of your insurance.

If no additional benefits are payable under the Additional Benefits section of this certificate, the maximum amount payable will equal the full amount of your insurance; or

If your insurance under this certificate terminates due to non-payment of premiums, your coverage may be reinstated if all premiums due are paid and received by us within 31 days of the date of termination and during your lifetime.

Can your coverage be reinstated after termination?
Yes. When your coverage terminates because you are no longer eligible, and you become eligible again within three months after the date your coverage terminated, such coverage under this certificate, including all benefits previously terminated, may be reinstated. Your coverage under this certificate shall be reinstated automatically, without satisfaction of any waiting period. The amount of insurance will be that which applies to the classification to which you then belong, on the date you again become eligible. If the policyholder’s plan of insurance provides for contributory insurance under this certificate, your amount of contributory insurance will be limited to that for which you were insured immediately prior to the loss of coverage.

When does the group policy terminate?
The policyholder may terminate the group policy by giving us 31 days prior written notice. We reserve the right to terminate the group policy on the earliest of the following to occur:

1. 31 days (the grace period) after the due date of any premiums which are not paid; or
2. 31 days after we provide the policyholder with notice of our intent to terminate the group policy.

Family Coverage

If you have dependents, you may elect AD&D coverage for your eligible dependents as described below. All provisions of the policy applicable to an “insured” including but not limited to references in the Exclusions and Additional Benefits sections, shall apply to a dependent insured hereunder.

Dependents Benefit

What is the dependents benefit?
The dependents benefit provides accidental death and dismemberment insurance on the lives of your eligible dependents.

What members of your family are eligible for this benefit?
The following members of your family are eligible for this benefit:

1. Your lawful spouse who is not legally separated from you or your domestic partner, and who are not eligible as an employee under this certificate; and
2. your or your spouse/domestic partner’s children, stepchildren, and legally adopted children, who are less than 25 years old. Eligibility begins at live birth (stillborn and unborn children are not eligible).

If both parents of a child qualify as eligible employees under the group policy, the child shall be considered a dependent of only one parent for purposes of this benefit. If any child qualifies as an eligible employee under the group policy, he or she is not eligible to be insured as a dependent child.

When does insurance on a dependent become effective?
Insurance on a dependent becomes effective on the date when all of the following conditions have been met:

1. the dependent meets all eligibility requirements; and
2. if required, you apply for dependents coverage on forms which are approved by us; and
3. we receive the required premium.

Any dependent who, subsequent to the effective date of your certificate supplement for dependents accidental death and dismemberment insurance, meets the requirements of this provision will become insured on the date he or she so qualifies unless additional premium is required. If additional premium is required, the insurance of such later-acquired dependent shall be effective under the same conditions which apply if you were then first becoming eligible for dependents insurance under this certificate.
If a dependent is hospitalized or confined because of illness or disease on the date his or her insurance would otherwise become effective, his or her effective date shall be delayed until he or she is released from such hospitalization or confinement (this does not apply to a newborn). However, in no event will insurance on a dependent be effective before your insurance under this certificate is effective.

When will the accidental death or dismemberment benefit be payable?

We will pay the accidental death or dismemberment benefit upon receipt at our home office of written proof satisfactory to us that an insured dependent died or suffered dismemberment as a result of an accidental injury. All payments by us are payable from our home office.

The benefit will be paid in a single sum. We will pay interest on the benefit from the date of the insured dependent's death or dismemberment until the date of payment.

Interest will be at an annual rate determined by us, but never less than 0.1% per year or the minimum required by state law, whichever is greater.

To whom will we pay a dependents accidental death or dismemberment benefit?

A dependents accidental death or dismemberment benefit will be paid to you, if living, otherwise to your estate.

Family Coverage Additional Benefits

The following benefits apply to those insureds who are insured for dependents insurance. Unless stated otherwise, additional benefits are payable to the same person or persons who receive the accidental death and dismemberment benefits. Additional benefits are paid in addition to any accidental death and dismemberment benefits described in the Accidental Death and Dismemberment section, unless otherwise stated. All provisions of this policy, including but not limited to the Exclusions section, shall apply to these additional benefits.

Child Care Benefit

What is the child care benefit?

If you die as a result of a covered accident and you are survived by your dependent spouse/domestic partner and one or more dependent children, we will pay additional benefits to reimburse the surviving spouse/domestic partner for child care expenses for your dependent children.

The benefit for each child per year will be the lesser of:

(1) 25% of your amount of insurance; or
(2) $5,000; or
(3) incurred child care expenses.

Child care expenses are those expenses which are for a service or supply furnished by a licensed child care provider or facility for a dependent child's care.

No payment will be made for expenses incurred more than three years after the date of your death. Proof of incurred child care expenses shall be required before any benefit payment is made. The child care benefit will be paid to the surviving parent.

Dependents Benefit Termination

When does an insured dependent's coverage terminate?

An insured dependent's coverage terminates on the earliest of the following:

(1) the date the dependent no longer meets the eligibility requirements. For a child this date will be the last day of the month in which the child attains age 25; or
(2) 31 days (the grace period) after the due date of any unpaid premium if the premium remains unpaid at that time; or
(3) the last day for which premium contributions have been made following an insured employee's written request that insurance on his or her dependents be terminated; or
(4) the date the employee is no longer covered under the group policy.

The insured employee must notify us or the employer when he or she no longer has a dependent eligible for coverage under this benefit so that premiums may be discontinued. All premiums paid for dependents who are no longer eligible for coverage under this benefit will be refunded without any payment of claim.

Additional Information

Do we have the right to obtain independent medical verification?

Yes. We retain the right to have an insured medically examined at our expense whenever a claim is pending and, where not forbidden by law, we reserve the right to have an autopsy performed in the case of death.

What if an insured's age has been misstated?

If an insured's age has been misstated, the accidental death or dismemberment benefit payable will be that amount to which the insured is entitled based on his or her correct age.

A premium adjustment will be made to the premium you pay for the insured's noncontributory insurance and to the premium an insured pays for contributory insurance, if any, so that the actual premium required at the insured's correct age is paid.
When does an insured's insurance become incontestable?

Except for fraud or the non-payment of premiums, after the insured’s insurance has been in force during his or her lifetime for two years from the effective date of his or her coverage, we cannot contest the insured’s coverage.

However, if there has been an increase in the amount of insurance for which the insured was required to apply, then, to the extent of the increase, any loss which occurs within two years of the effective date of the increase will be contestable.

Any statements the insured makes in his or her application will, in the absence of fraud, be considered representations and not warranties. Also, any statement an insured makes will not be used to void his or her insurance, or defend against a claim, unless the statement is contained in the application attached to the insured’s certificate.

Can your insurance be assigned?

Yes. However, we will not be bound by an assignment of the certificate or of any interest in it unless it is made as a written instrument, you file the original instrument or a certified copy with us at our home office, and we send you an acknowledged copy.

We are not responsible for the validity of any assignment. You are responsible for ensuring that the assignment is legal in your state and that it accomplishes your intended goals. If a claim is based on an assignment, we may require proof of interest of the claimant. A valid assignment will take precedence over any claim of a beneficiary.

Will the provisions of this certificate conform with state law?

Yes. If any provision in this certificate or in the group policy is in conflict with the laws of the state governing the group policy or the certificates, the provision will be deemed to be amended to conform to such laws.
NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE
OHIO LIFE AND HEALTH INSURANCE GUARANTY
ASSOCIATION ACT

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers’ care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

**COVERAGE**

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

**EXCLUSIONS FROM COVERAGE**

However, persons holding such policies are not protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in that state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

**LIMITS ON AMOUNT OF COVERAGE**

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of $300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than $100,000 in cash surrender values, $500,000 in major medical insurance benefits, $300,000 in disability or long-term care insurance benefits, $100,000 in other health insurance benefits, $250,000 in present value of annuities, or $300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages, the association will pay a maximum of $300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is $500,000.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: for unallocated annuities that fund governmental retirement plans under §§401(k), 403(b) or 457 of the Internal Revenue Code, the limit is $250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than $300,000 in the aggregate per individual; for covered unallocated annuities that fund other plans, a special limit of $1,000,000 applies to each contractholder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.
