Student Health Insurance

KSUCPM Students are required to have an maintain health insurance coverage while enrolled at KSUCPM.

To ensure compliance, KSUCPM students are automatically enrolled in and billed for the Student Health Accident and Sickness Insurance Plan.

Payment is due in accordance with KSUCPM's tuition schedule for Fall and Spring semesters.

Student Health Insurance at a glance

- **PO Plan**
- **Coverage Period:** Full-year coverage
- **Availability:** Nationwide
- **Dependent Coverage:** Students may add dependents at their own expense
- You can view the current health insurance details [here](#).

Waive Insurance

Students will have an opportunity to waive the insurance in September if they have proof of comparable insurance.

All waiver information will be verified with your insurance company as part of the insurance verification process.

Once your current insurance is verified and the waiver site has closed, KSUCPM will begin the process for reimbursement

Your plan must meet the following requirements to qualify for an insurance waiver

My plan is provided by a company licensed to do business in the United States with a U.S. claims payment office and a U.S. phone number

My plan is currently active, and I agree to maintain health insurance coverage.

My plan offers an unlimited coverage per accident or illness.

My plan covers inpatient and outpatient medical care within the Cleveland, OH area (Emergency only coverage does not satisfy this requirement).

My plan covers inpatient and outpatient mental health care within the Cleveland, OH area (Emergency only coverage does not satisfy this requirement).

The deductible on my insurance plan does not exceed \$2,500 per individual or \$5,000 for a family plan.

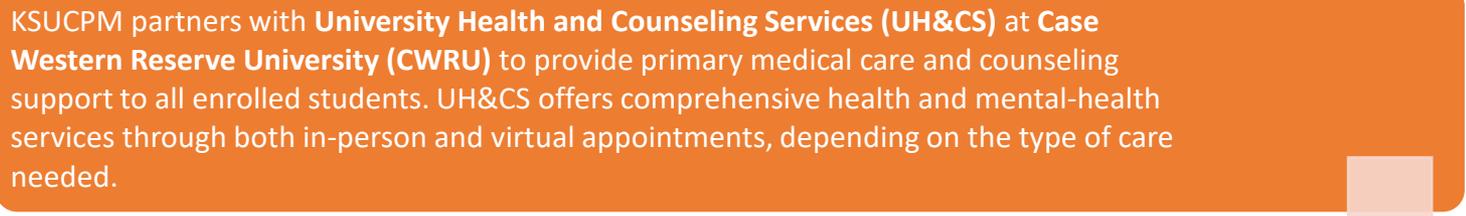

My plan provides coverage for pre-existing conditions with no waiting period or limitations.

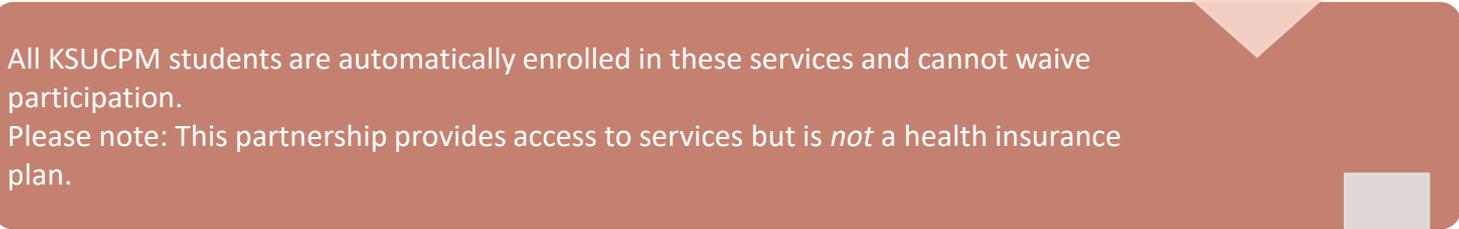

My plan provides coverage for prescription drugs.

University Health and Counseling Services

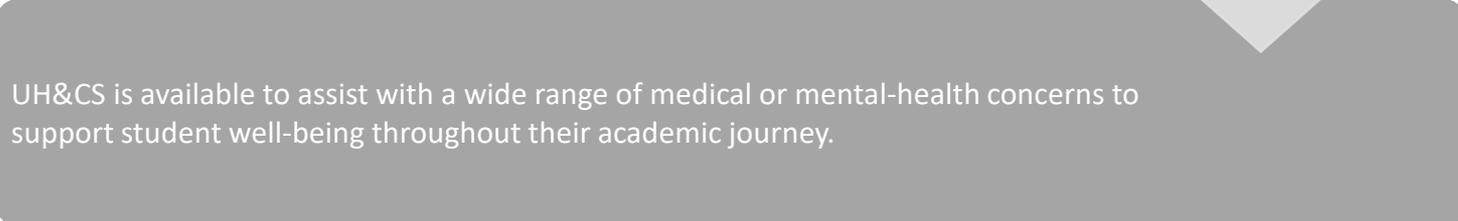

KSUCPM partners with **University Health and Counseling Services (UH&CS)** at **Case Western Reserve University (CWRU)** to provide primary medical care and counseling support to all enrolled students. UH&CS offers comprehensive health and mental-health services through both in-person and virtual appointments, depending on the type of care needed.

All KSUCPM students are automatically enrolled in these services and cannot waive participation.
Please note: This partnership provides access to services but is *not* a health insurance plan.

UH&CS is available to assist with a wide range of medical or mental-health concerns to support student well-being throughout their academic journey.

Health and Counseling Services

Health Services

Students are seen for infections, injuries, allergies, immunizations, routine women's exams, sexually transmitted infection screening, etc. at the University Health Clinic.

Care Anytime

Students can continue to receive care outside of business hours

24/7 virtual appointments for mental and medical visits.

Nurse on-call: after hours & on weekends

Counselor on-call : after hours & on weekends

Counseling Services

individual, group counseling, skill-based workshops, support spaces, prevention and recovery services, psychiatry, individual counseling, crisis intervention and care management. Students can choose to make virtual or in-person appointments.

Virtual Counseling Visits

Case Western Reserve University provides [TimelyCare](#). 24/7 mental telehealth care service can be accessed from anywhere. Students can talk to a licensed provider via smartphone or any web-enabled device.
