

Student Leader Participation Activity Verification Form

Student Leaders are required to attend two leadership development activities to be eligible for their scholarship. Please submit one form for each activity you attend. The Center for Student Involvement will maintain a tracking database to ensure completion of this requirement.

Criteria for eligible activities:

- Topic is specifically related to a leadership concept
- Can be related to a class assignment (i.e. attending a campus speaker for extra credit)
- At least 30 minutes in length
- Can include programs sponsored by the Center for Student Involvement, student organizations, academic and other departments on campus, or attendance at an off-campus conference session on a specific leadership topic
