Job Description: Student Welder – Seasonal Position

Company: Hendrickson Trailer Commercial Vehicle Systems
Location: Canton, OH (2070 Industrial Place S.E. Canton, OH 44707)

Hendrickson is the leading global manufacturer and supplier of medium and heavy-duty mechanical, elastomeric and air suspensions; integrated and non-integrated axle systems; auxiliary lift axle systems; parabolic and multi-leaf springs; stabilizers; and bumper and trim components to the global commercial transportation industry.

We are seeking motivated high school or college students to join our team as Student Welders. In this role, you will work with prototypes, gaining hands-on experience in welding techniques and processes. This is an excellent opportunity to develop your skills and gain valuable industry experience in a supportive and dynamic environment.

Key Responsibilities:

- Perform welding tasks on prototype parts and assemblies.
- Collaborate with the engineering team to ensure prototypes meet specifications.
- Maintain a clean and safe work area.
- Follow all safety protocols and procedures.

Qualifications:

- Basic knowledge of welding techniques and safety practices.
- Strong attention to detail.
- Willingness to learn and work in a team environment.

How to Apply: Please send your resume to Sophia Kiriakou, Human Resources Representative, at skiriakou@hendrickson-intl.com.
