**STUDENT TEACHING OBSERVATION FORM**

<b>Observations</b>	<b>Goals</b>	<b>Strategies and Timeline</b>
<p>Document strengths and areas needing development. Align with elements of OSTP.</p> <p>OSTP 5.4. All learners were required to do the same thing: Sit in a large group and listen to a brief lecture followed by a class discussion.</p>	<p>Identify goals for elements needing further development.</p> <p>Goal should include: Action verb, area of focus, and why important. Goal is to be collaboratively developed by supervisor and student.</p> <p>Example: I will incorporate (action verb) the use of more varied instructional strategies into my teaching practice (area of focus) to help students become independent learners and problem solvers (why important).</p>	<p>List specific steps to reach the goal and set a timeline for reaching the goal.</p> <p>Example:            Step 1: Select a lesson in which students will solve a problem through group work.            Step 2: Select objectives for that lesson.            Step 3: Create a variety of roles for students to play.            Step 3: Determine how to prepare the students for group work.            Step 4: Teach the lesson incorporating group work within the next two weeks.</p>
