

**KENT STATE UNIVERSITY - UNIVERSITY CONFERENCE BUREAU  
SUMMER 2015 – HOUSING INFORMATION SHEET**

**General Housing Information for 2015:**

The following information includes some of the major policies and procedures from Residence Services at Kent State University. Should you desire, the University Conference Bureau will be happy to coordinate a meeting between you and a Residence Services housing representative to discuss your housing questions and needs. Further information regarding the individual summer conference residence halls is available at [www.kent.edu/housing/halls](http://www.kent.edu/housing/halls). Please note, within the same building, and potentially upon the same floor, groups may find their conference participants housed with other summer conference program participants (similar to a hotel). Due to space availability we cannot restrict building/room usage exclusively for a single group unless that group is willing to pay for all the available beds in that particular building or floor.

**Residence Hall Assignment & Rate Information:**

If available, residence hall assignments will be included on your confirmation. While every effort is made to ensure your housing assignment does not change, construction and maintenance schedule changes may cause changes in housing assignments. Should it be necessary to re-assign your housing location, your conference coordinator will notify you immediately.

Quoted rates are based on air-conditioned housing facilities. If you wish to include linen service with your stay, a linen packet includes fitted and flat sheets, pillow and pillowcase placed on bed (beds are not made), as well as towels and washcloths for your stay. Linen service may be added to your reservation for an additional \$3.00 per person, per night charge. If you do not request the linen service for your conference group stay, please be sure to advise your participants to bring any necessary linen items with them to campus.

**Supervision of Attendees Age 17 or Under:**

- Client shall provide adult (age 18 or older), live-in supervision for any attendee age 17 and under at the following ratios:
  - One adult staff member for every five campers/conference attendees ages four and five (permitted only with special permission from Residence Services received prior to the time of booking facilities);
  - One adult staff member for every six campers/conference attendees ages six to eight;
  - One adult staff member for every eight campers/conference attendees ages nine to fourteen;
  - One adult staff member for every ten campers/conference attendees ages fifteen to seventeen.
- Group rosters must highlight adult supervisors' names and ages and include an on-sight phone number for each so they can be reached during the camp/conference.
- Adult supervisors will advise each attendee of University rules and regulations, act as a liaison between University staff and the attendees in the event of discipline problems, and be responsible at all times for their conduct.
- It is the responsibility of the client to insure it is in compliance with all State of Ohio laws, rules, and regulations regarding programs for minors. In addition, the client assumes full responsibility for conducting appropriate background checks on all staff/chaperones/live-in supervision.
- Conference groups arriving to campus without live-in supervision will not be permitted to check-in to University housing.
- Additional information about the Kent State University policy regarding on-campus activities involving minors may be found in the Kent State University Policy Register at:

**Bed Space Holds – Returning Groups (60 Days Prior to Arrival):**

Returning conference groups will be expected to designate the number of beds needed for their program. The bed count number must be updated 60 days prior to the start of the program and excess beds will be released at no cost to group. ***All beds held after the 60 day deadline date will be subject to a cancellation charge of \$25.00 per bed if not used by conference group.*** Please note, returning groups are permitted to hold 10% more beds than utilized the previous year. New conference groups are expected to estimate the number of beds needed for their program. This bed count must be updated 45 days prior to the start of the program and excess beds will be released at no cost to the group. *All beds held after the deadline will all be subject to a bed hold charge of \$25.00 per bed if not used by the group.*

### **Housing List and Final Group Count Deadline (7 Days Prior to Arrival):**

The housing list – which provides the name of every conference group member – as well as the final conference group count will be due to the University Conference Bureau no later than seven days prior to the check-in date of the conference group. *If the housing list and final group count are not received seven days in advance, then the conference will be billed a late fee of \$150.00, plus a processing fee of \$10.00 per person when the list is submitted.*

Groups are encouraged to complete their own room assignment or hall roster sheets. The University Conference Bureau can provide floor diagrams, blank assignment sheets, and instructions to assist you in assigning individuals to residence hall rooms.
