

Per-Credit-Hour Fee above Tuition Cap at the Kent Campus

Students with 19 or more credit hours and at least one Kent Campus credit hour are subject to an additional per-credit-hour fee for every credit of 19 or above.

Undergraduate students, both in-state and out-of-state students, will be charged the in-state undergraduate per credit hour rate for credited hours above the full-time tuition range (cap), which is 12-18 credit hours. Graduate students, both in-state and out-of-state students, will be charged the in-state graduate per credit hour rate for credited hours above the full-time tuition range (cap), which is 11-18 credit hours for graduate students.

The additional per-credit-hour fee does not apply to students that only have Regional Campus credit hours. However, if a Regional Campus student has at least one Kent Campus credit hour and exceeds the tuition cap, the student will be assessed for the additional credit hours. Please review these examples:

Example 1 – A undergraduate student has 14 credit hours at the Ashtabula Campus and 5 credit hours at the Geauga Campus. The student is *not subject* to the additional per-credit-hour rate for the 19th credit hour because none of the credit hours are Kent Campus credit hours.

Example 2 – An undergraduate student has 6 credit hours at the Kent Campus and 13 credit hours at the Trumbull Campus. The student *will be* assessed additionally for the 19th credit hour because he/she has at least one Kent Campus credit hour.

The additional per-credit-hour fee is based on the total number of credit hours the student is registered or receives a grade of “W” for. Therefore, it will adjust through the 80 percent tuition credit period. The per-credit-hour fee will not adjust after the 80 percent tuition credit period because students are assigned a letter grade of “W” for dropped classes after the 80 percent period. Please review these examples:

Example 3 – A undergraduate student has 6 credit hours at the Kent Campus and 13 credit hours at the Trumbull Campus. The student will be assessed additionally for the 19th credit hour because he/she has at least one Kent Campus credit hour. The student drops his/her Kent Campus class *during the* 80 percent tuition credit period. The student only has credit hours for the Trumbull Class so the additional per credit hour fee above 18 credit hours *will be removed*.

Example 4 – A undergraduate student has 8 credit hours at the Kent Campus and 11 credit hours at the Trumbull Campus. The student will be assessed additionally for the 19th credit hour because he/she has at least one Kent Campus credit hour. The student drops his/her Kent Campus class **after the** 80 percent tuition credit period. The drop resulted in a grade of “W,” as a result the additional per credit hour fee above 18 credit hours **will not be removed**.
