

*New Language for Style Guide and Instructions for Preparing Dissertations and Theses for Electronic Submission to OhioLINK*

***Signature Pages***

Each degree candidate must provide two signed, **HARD-COPY** versions to the College of Arts and Sciences Office of Graduate Affairs for the Dean's signature (see Appendix E for the dissertation and Appendix F for the thesis printed versions of the signature pages). The hardcopy versions should be signed in black ink on archival paper (>50% bond paper) and submitted to the Office of Graduate Affairs prior to electronic submission of the dissertation or thesis. With respect to margins, the top margin must be 2 inches, the left margin must be 1.5 inches, and the right margin and bottom margins should be 1 inch.

The ETD dissertation or thesis includes an **ELECTRONIC VERSION** of the signature page. For privacy, the electronic version of the signature page should include print names on the signature lines, rather than signatures (see Appendix G for the dissertation and Appendix H for the thesis electronic versions of the signature pages). The same margins outlined above apply.

The Dean's signature will be provided after the final version of the dissertation or thesis has been submitted and approved in OhioLINK.
