RECALCULATION OF GRADES

FORGIVENESS OR SUBSTITUTION OF GRADES: Students may petition their enrollment unit to repeat a course, and after completing the course the second time, have the original course credit and grade excluded from the calculation of the student's cumulative point-hour ratio, but remain on the student's official permanent record. The course or courses being substituted or repeated will bear the symbol "#" to the left of the grade.

PERMITTED TO RESTART GPA OR FRESH START: An undergraduate student who enrolls in the university after an absence of five or more years may petition to have his/her GPA recalculated. If the petition is approved, the student resumes his/her academic program with no cumulative GPA. All courses taken will remain on the permanent record.
