FLASH
MEDICAL CENTER
KENT STATE UNIVERSITY AT ASHTABULA

We are transforming the Robert S. Morrison Hall into *FLASH MEDICAL CENTER*.

Students will come for their "hospital orientation" and help assess and treat a patient following an accident. See how Nursing, Radiology, Physical Therapy, Respiratory Therapy, and Occupational Therapy work together in a hospital setting to triage and treat patients. Students will actively engage in all of these areas to problem solve and work together as a team to diagnose and treat the patient.

STUDENTS WHO ATTEND WILL HAVE THE OPPORTUNITY TO APPLY FOR AN EXCLUSIVE SCHOLARSHIP!
