

SCHOLARSHIP INFORMATION

APPLICATION DEADLINE: Friday, MARCH 5, 2021
(For the academic year 2021–2022)

The scholarships that are available through the DEPARTMENT OF MATHEMATICAL SCIENCES are the Cummins Scholarship, the Bill and Linda Gainer Scholarship, the Harshbarger Scholarship, Neuzil Mathematics Scholarship, and the Math Club Scholarship. The eligibility requirements for the scholarships are listed below.

Cummins Scholarship

The applicant must be an actuarial mathematics, applied mathematics, mathematics, or an integrated mathematics major with junior standing (i.e., at least 60 semester hours earned) at Kent State University. The amount of this award is variable.

Bill and Linda Gainer Scholarship in Mathematics

The applicant must be a first generation undergraduate college student who is at least a Sophomore, majoring in actuarial mathematics, applied mathematics, or mathematics with a 3.0 or higher GPA who is Pell Grant eligible.

Harshbarger Scholarship

The applicant must be an actuarial mathematics, applied mathematics, or mathematics major at Kent State University. The applicant must have also completed Math 12003 (Calculus II), Math 21001 (Linear Algebra), and either Math 22005 (Calculus III) or an upper-division mathematics course. The amount of this award is variable.

Neuzil Mathematics Scholarship

The applicant must be an actuarial mathematics, applied mathematics, mathematics, or an integrated mathematics major with at least sophomore standing and 3.0 or higher GPA and have also completed MATH 12003 (Calculus II) and one additional upper-division math course. The amount of this award is variable.

Math Club Scholarship

The recipient of this scholarship must be an actuarial mathematics, applied mathematics, mathematics, or integrated mathematics major in good standing at Kent State University. Special consideration will be given to students who have demonstrated leadership at KSU or in their communities. Students early in their academic career are especially encouraged to apply for this Scholarship. The amount of this award is variable.

If you want to be considered for any of the scholarships for which you are eligible (can be more than one), please

1. Complete the application on the web through the link.

https://kent.qualtrics.com/jfe/form/SV_eM3IV0Q0ieEdral

2. All scholarships require three reference letters, at least two of which must be from your past or present mathematics professors. Please have the reference letter writers email the letters to zheng@math.kent.edu

The deadline for receipt of online application and letters of recommendation, is Friday, March 5, 2021.
